Marriage for many women is simply miserable. And if that's not bad enough, what makes this even worse is that oftentimes it is we men who inject the misery into the marriage (like injecting our favorite marinade into the Thanksgiving turkey). We judge our wives, criticize them, gripe, complain, and fail to appreciate them. Is this behavior helpful? Is it effective? Is it Christ-like? No (and no wonder why the divorce rate among professing Christians is not much different from those who do not follow Jesus)! To tell you the truth, God's plan for the way you treat your wife looks very different.Throughout With No Strings Attached: 28 Days of Blessing Your Wife, Dr. Steven Bell details twenty-eight unique ways for you to love your wife unconditionally. Each approach to blessing your wife is simple, yet immensely challenging (and well worth your time). The days of the “status quo” husband are quickly coming to an end, and our wives need more from us than we've been giving them. Grounded in scripture and a number of other helpful resources, With No Strings Attached: 28 Days of Blessing Your Wife provides a clear blueprint of how to take your marriage from miserable to magnificent.

You can’t afford not to fast—considering we live in a toxic world. Dr. Don Colbert, author of the bestsellers Toxic Relief and the Bible Cure series, provides a twenty-eight-day protocol for detoxifying the body of harmful toxins that is designed to restore you to health—body, mind, and spirit.

We know from Scripture that prayer is essential to an intimate and thriving relationship with God, but often we simply don’t know how or what to pray. Many of us feel inhibited with group prayer or praying out loud. Chrystal Evans Hurst knows both the freedom and literal blessing of establishing and growing your prayer life, and how difficult it can be when prayer itself feels a bit foreign. In this video-based Bible study (DVD/downloads sold separately), Chrystal teaches us the basic tenets of prayer practice and establishes a realistic and doable pattern of prayer to be applied to our daily life for 28 days with lasting effect. She then dives deep into four postures of prayers that increase our communication and relationship with God. After you have prayed in one posture for an entire week, Chrystal will break down that posture and walk through the biblical references supporting it to draw the connections between your growing relationship with God and the practice of prayer. This study includes daily prayer practices, space to journal about your prayers and what you are hearing from God, as well as challenges each week to keep yourself from distraction and give prayer the time it deserves. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. Just one suggestion a day to create a life filled with happy moments you will cherish for a lifetime. The choice is yours; keep doing what you're doing and experience more of the same or give it a try for 28 days - the time it takes to anchor a new way of living a heart centered existence.

Living in Love and Faith: The Course aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on Living in Love and Faith, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question:
[] What does it mean to learn together as followers of Jesus Christ?
[] How does our identity in Christ relate to sex and gender?
[] What kinds of relationships does God call us to?
[] Where do our bodies and sex fit in to all of this?
[] How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning

together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing notes for those leading groups, the course also signposts the relevant sections of the Living in Love and Faith book as well as recommending films, podcasts and other digital resources available. A new cover and additional questions for study and discussion grace this bestselling 28-day study (more than 525,000 copies sold) by respected teacher and author Kay Arthur. Readers of little or great prayer experience will discover practical insights to help them know how to pray, what to pray, and what to expect when they pray. Arthur sheds light on the instructions Jesus gave to His disciples for the perfect pattern of meaningful prayer and demonstrates how the Lord's Prayer covers worship, praise, intercession, and petition and ushers an individual into the presence of God. This look at biblical prayer is refreshingly simple and exceedingly powerful—and it can transform the way anyone lives and prays. Ideal for individual or group study, and a classic resource for any home or church library.

The Beauty of the Past with Clarity for Today This Thinline Reference Bible is small, lightweight, and perfect for your Bible study, reading, and devotions. Beautiful and easy to carry, it is ideal for use at home or at church and includes study tools such as: Cross-references Parallel references Concordance Words of Jesus in red Four-color maps Clear, Reverent, Accurate. What is a "Study Bible"? Is it a Bible version with lots of pretty pictures and side stories that distracts you from what the Bible is actually saying and what it means? Or is it a Bible version that will actually help you to understand what the Bible is saying and truly means? I submit to you that the Kingdom Study Bible Version is the only true Study Bible, because it is the latter rather than the former. If you want to learn about those things in the pretty pictures and sidebars, I believe that you would be much better served by investing in other Bible tools that are already available: Hebrew and Greek grammars, concordances, Biblical Backgrounds, etc. But you cannot combine all of those tools in a Bible, because what you end up with is something that distracts your attention from the Bible onto other things. The headings of the Kingdom Study Bible are the themes of the Divisions, Volumes, Books, Parts, Chapters, Sections, Paragraphs, and Subparagraphs. This is one of the keys to understanding how this Bible version is arranged. The Bible has its own high-level outline; every Volume has its own outline; every Book has its own outline; and every Chapter has its own outline. The Kingdom Study Bible has approximately 306 outlines, of every part of the Bible! No other study bible even comes close. And, unlike all other Bible versions and arrangements, these outlines show the true and correct outline of those Volumes, Books, and Chapters (including their internal subdivisions). How does it do it? Through the only true and correct arrangement of the Bible that is guided by the Golden Ratio design. This arrangement is brand new to us; but it has always been there in the Scriptures, because God put it there. This requires some explanation to understand, so you must read the Preface of the Kingdom Study Bible as a starting point. I have also provided a wealth of Bible studies on my website at <https://www.phibible.org/info/GoldenRatioBibleStudies/EnglishStudiesMenu.html> to help you understand how it works and why it came from the Lord. The Golden Ratio design is not the Gospel! It is like the fingerprints of God upon his Word, that demonstrate his perfect, guiding hand upon the original human writers of the Bible text in such a way that the inspiration of the Holy Scriptures cannot be denied. And no other Bible version comes even close in the quality of their outlines, since those other outlines are typically very general and are not the true themes of the Bible text. A proper theme is the content of a Bible portion that is "boiled down" into a single sentence, that gives an accurate summary of what that Bible portion actually teaches. This is where the Kingdom Study Bible really shines, and where the other study bibles fall short. There is much more than I have space for here: see <https://www.phibible.org> for more information.

Volume Three of a collection of 366 quotes for each day of the year with corresponding Bible verses, prayers/actions, hymns and suggested weblinks for the hymns as used in various aspects of the Internet ministry of Pastor Bayo Afolaranmi. There is an index each for the themes, authors, hymns and Bible verses used at the end of the collection.
