child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... follow what is within one's heart, and the maturity to take responsibility for one's own actions. Once you gain an understanding of how magickal energy works and learn the secrets to casting spells, you will be able to tap into your inner powers, focus, and direct them utilizing simple items found in the average home or easily purchased at the nearest occult shop. In fact, many of the herbs and other ingredients called for in spells can be found right in your very own kitchen! The casting of spells is an ancient art that has played an important role in many of the cultures and religions throughout the world. This book is designed to be a guide to the history, philosophy, ethics, and practical application of spell crafting. Written with the novice-to-intermediate student in mind, it covers all areas of folk magick in an explorative and unbiased manner.

The winding plot of this occult fiction turns sharply on a generations-old battle between two powerful families in the small Southern town of Whiskey Springs. There the inhabitants are being manipulated by a dark force that's driving its victims to the local funeral parlor.

Everywhere, the witches are rising. Are you ready to answer the call and embrace your own inner witch? Two of the world's most established and authoritative Witches present an eclectic and comprehensive overview of psychic healing--a broad-spectrum approach that addresses the healing of the total person: psyche, mind, and body. As the Frosts write in the Introduction, "This unique book will equip you to start doing your own psychic healing. Using the simple methods outlined, you can become a psychic healer helping to heal yourself and those around you."

Discover the Power of the Grimoire! A grimoire records your personal journey through the world of magick. It's where you record your favorite spells, chronicle your magical developments, and keep your most treasured secrets. And now, Skye Alexander, spellcraft expert and author of *The Modern Guide to Witchcraft*, teaches you how to create your own. First, you'll learn the importance and history of the witch's grimoire. Then, you'll go step by step through the process of putting together your very own book. From selecting spells to blessing your grimoire, you will be able to personalize your book of shadows and tailor it to your specific powers. With your own grimoire in hand, you'll be ready to continue your journey in learning the craft.

While there is more to witchcraft than casting spells, it's hard to deny that spellcraft still plays a key part and is often how many of us start out in the magickal arts. But like most aspects of witchcraft, spellcraft is not easy. Lighting a thousand candles and reciting just as many beautifully rhyming words will not, in themselves, get the

job done. It takes concerted and consistent effort to develop, hone, and maintain the skills and abilities that are necessary to make the magick go. Yet the ability to work effective magick is there for us all, and by making simple changes in your approach, you can create deep and lasting changes within your life. If you would do the work to be effective... explore the mechanics of spellcraft with a focus on results learn how to determine the magickal correspondence of any object troubleshoot failed spells so you can be more effective with your magick become a stronger witch through active spell casting and find direction for your personal practice dissolve the separation between magick and the mundane so you can create real and lasting change in your life Through eight lessons aligned to the lunar cycle, you will develop a deeper understanding of the art of spellcraft so you can devise an effective plan of action for your magickal goals. Each week you will dig into a facet of spellcraft mechanics, using a variety of spellcrafting techniques to broaden your experience, enable you to become more innovative with your magick, and to begin seeing stronger results within your magickal practice. You will also cover practical ways to boost efficacy as well as common mistakes to avoid. As an introductory course, the material herein is designed with the beginner and intermediate witch in mind. However, to get the full benefit, it is advised that you have some familiarity with magick-on both a conceptual and practical level-and with witchcraft, at least on a conceptual level. Neither the basics of magick nor witchcraft will be covered although their distinctions and differences will be discussed.
