Shamioka Dean wrote the vision and made it plain. She knew exactly what she wanted in her husband, from the way he dressed to the way he made her laugh. When God brought her king into her world in July 2005, all of her expectations were exceeded. Shamioka was at an all-time high when she said those legendary words, -I DO.- She got her king and they were living the dream, until Valentine's Day 2012, when Shamioka went to her mailbox, and opened an envelope to only read, -FINAL DISSOLUTION OF MARRIAGE.- She had married the man she prayed for, only to end up in divorce court seven years later. She was in overwhelming pain, disappointment, anger, and full of fear. She was now a divorced-single mother with three children. Shamioka asked God one question, -How did we get here?- He replied, -You were a single-married woman.- Shamioka realized in that moment, the words -I DO- only changed her last name when she married her king. In this thought-provoking, gut-wrenching book, you will see how Shamioka Dean, also known as the Queen of Restoration, went from divorced to marrying her king a second time. Shamioka Dean, the Queen of Restoration, in her Real, Raw & Relatable style, gives you a transparent look into the journey of restoration of her marriage AFTER DIVORCE! Marriage has a formula, and Shamioka Dean, the Queen of Restoration, takes you through a step-by-step process to achieving a successful marriage. Shamioka will take you through the process of learning -How to overcome the fears most single women face -How to attract the man you've been praying for -How to confidently know if he's -the one- -How to defeat divorce court Allow yourself the chance to enter the world of, Positioning Yourself to be a Wife.

The art of being a good wife is not an easy one. This little guide was written for the middle classes of the 1930s who were reading one of the first modern self-help books. Illustrated with contemporary line-drawings, it contains advice by turns delightfully arcane and timelessly true, for example:It is a wife's duty to look her best. If you don't tidy yourself up, when you have done the bulk of the day's work, don't be surprised if your husband begins to compare you unfavourably with the typist at the office.Don't forget that a wife can always set the standard of behaviour for the home. If she allows laxities of dress or conversation at the table she will soon find that they become a fixed procedure.Don't forget that very true remark that while face powder may catch a man, baking powder is the stuff to hold him.Don't criticise the food at your own table when you are entertaining and especially refrain from doing so before the servants.After all is said and done, husbands are not terribly difficult to manage.

Robert J. Eagle has produced a reference book for every guy who has a woman and wishes he had two. Legitimate social and psychological research has been cleverly distorted and perverted so as to help men achieve this widely held fantasy. More than just a collection of recipes, this fabulous new book is a celebration of the sexy, modern woman in all of us. Press "send" for amazing results! With 52 E-mails to Transform Your Marriage, you'll find a year's worth of e-mails to help you reconnect with your spouse, reignite intimacy, and keep your love alive. There's no doubt marriage can be a challenge—we've all heard that half of marriages end in divorce. A common problem you may face as a couple is feeling stuck or disconnected—lonely within the marriage—as if you and your spouse were worlds apart, even as you present a united front. Attempts to discuss the problem may lead to painful arguments, and even couples therapy may prove more expensive and time-consuming than effective, putting each of you on the spot and moving so quickly that you may leave, session after session, without feeling closer. E-mail, however, can be a much less threatening way to communicate your true thoughts and feelings. Based on the author's popular online relationship coaching sessions, each chapter of this book provides an e-mail writing assignment focused on a different topic, such as sex, intimacy, communication, trust, and the future. These weekly assignments will grant you both the time to write—which can be extremely therapeutic in itself—and read what the other has to say without the need for an immediate response. With 52 E-mails to Transform Your Marriage, you'll discover useful tips for good communication, learn how to respond to messages with empathy and validation, and be well on your way to rediscovering and sustaining the love that brought you together in the first place. As a husband, you are uniquely able to honor your wife in ways no one else can. When you honor her, you'll find her responsive and appreciative. Join author David Chadwick in learning how to show this special kind of love...and enjoy the forever blessings that result!

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Your wife is a reflection of your love for her. - Do you wish she were more joyful and affectionate? - Do you want her to show appreciation for all you do? - Do you hunger for her admiration and respect? - Are you wishing you could have more fun together? - Would you like for your wife to stop nagging? Then treat her the way you'd like to be treated. WARNING: Reading this book may alter the way you look at your wife, your family, and life in general. Read at your own risk. Side effects from implementing the principles set forth in these pages may include a stronger marriage, a happier home, a more satisfying sex life, improved communication skills, a deeper love for your spouse, and greater respect from her in return.

Read the controversial book Howard Stern considers required reading for any man (or woman) even considering divorce! This third edition is newly revised and updated. Unlike other divorce books, this one preaches no stay-together sermons and offers no sugarcoated guidance. When author Lee Covington appeared on the Oprah Winfrey show the audience was stunned to learn that this book was actually written by a woman. How to Dump Your Wife is for those who have accepted that sometimes a marriage is simply beyond saving—regardless of whether a desperate or vengeful wife can accept that fact. Irreverent, funny, and brutally honest, Lee Covington teaches men to survive divorce despite a legal system in which the cards are heavily stacked against them. Her practical

advice on withstanding the emotional and financial ravages of divorce focuses on how to survive three types of wives: (1) the dotting, clingy sweetheart who wants to stay married at all costs; (2) the shrill, abusive, spiteful, soul-sucking harpy; and (3) the self-absorbed career woman with powerful friends and her own agenda. Let this book get you through the tough times with great advice and laughter.

Your wife has not only fallen out of love but, worse still, she is refusing point blank to try and fix things. She says 'she can't change her feelings', she needs 'space' and the children should know - even though it will break their hearts. You've told her how much you love her, you've begged for a second chance but everything is falling on deaf ears. The situation might seem bleak but help is at hand. Marital therapist, Andrew G Marshall has spent over twenty-five years helping couples find love again and he has a message of HOPE. You can help your wife to fall back in love, even if you're separated or suspect there's another man in the background. In this practical book, he explains: The six worst and the six best reactions to discovering your wife doesn't love you any more. How to get to the bottom of why she's fallen out of love. Five things you think will save your marriage but are just pushing your wife further away. Five strategies to instantly improve the atmosphere at home. How to keep going in the face of disinterest and rejection. Why most men give up too soon. How to know when to accept the inevitable and when to keep trying.

In fact, men often hold the keys to bringing about the type of loving marriage they had hoped for when they first said 'I do.' In How To Love Your Wife, Dr. Buri makes these keys clear, understandable, and accessible.

Strengthen and deepen your relationship with your kids.

These are just a few things to think about when you are planning a wedding, and what's to be expected of you as a husband. Things I know will probably help you be a good choice for a husband. Some of these things I think you will already know, but some of them might be the farthest thing from your mind.

Marriage for many women is simply miserable. And if that's not bad enough, what makes this even worse is that oftentimes it is we men who inject the misery into the marriage (like injecting our favorite marinade into the Thanksgiving turkey). We judge our wives, criticize them, gripe, complain, and fail to appreciate them. Is this behavior helpful? Is it effective? Is it Christ-like? No (and no wonder why the divorce rate among professing Christians is not much different from those who do not follow Jesus)! To tell you the truth, God's plan for the way you treat your wife looks very different. Throughout *With No Strings Attached: 28 Days of Blessing Your Wife*, Dr. Steven Bell details twenty-eight unique ways for you to love your wife unconditionally. Each approach to blessing your wife is simple, yet immensely challenging (and well worth your time). The days of the "status quo" husband are quickly coming to an end, and our wives need more from us than we've been giving them. Grounded in scripture and a number of other helpful resources, *With No Strings Attached: 28 Days of Blessing Your Wife* provides a clear blueprint of how to take your marriage from miserable to magnificent.
