constantly tempted to chase after things that don't matter. We've been conditioned to value possessions over people, status over relationships, and ourselves over God. But the reality is this: God created love to be the centerpiece of our lives. In *The Seven Laws of Love*, Dave Willis makes the case for a love revival and proves that in returning to a life of love we have no greater model than the one who is love himself. In Dave's humorous, touching, down-to-earth style, *The Seven Laws of*

In this day and age of smartphones and the Internet, who has time to actually sit down and read a stupid book about how to treat your significant other? Screw statistics, but they do show that the average consumer is accustomed to receiving their news in 140 characters or less and watching videos no more than 10 minutes in length. How Not to be an A-Hole Husband and Lose Your Wife does just that - short, simple, funny and ridiculously easy to implement.

A Vindication of the Rights of Woman: with Strictures on Political and Moral Subjects (1792), written by the 18th-century British proto-feminist Mary Wollstonecraft, is one of the earliest works of feminist philosophy. In it, Wollstonecraft responds to those educational and political theorists of the 18th century who did not believe women should have an education. She argues that women ought to have an

education commensurate with their position in society, claiming that women are essential to the nation because they educate its children and because they could be "companions" to their husbands, rather than mere wives. Instead of viewing women as ornaments to society or property to be traded in marriage, Wollstonecraft maintains that they are human beings deserving of the same fundamental rights as men. Mary Wollstonecraft (27 April 1759 - 10 September 1797) was an eighteenth-century British writer, philosopher, and
