Sunday Times Political Book of the Year A Book of the Year in the New Statesman, Financial Times, Telegraph, Guardian, Mail on Sunday and The Times 'They're the wickedest political diaries since Alan Clark's' Daily Mail 'Riotously candid' Decca Aitkenhead, Sunday Times What is it like to be a wife of a politician in modern-day Britain? Sasha Swire finally lifts the lid. For more than twenty years she has kept a secret diary detailing the trials and tribulations of being a political plus-one, and gives us a ringside seat at the seismic political events of the last decade. A professional partner and loyal spouse, Swire has strong political opinions herself - sometimes more 'No, Minister' than 'Yes'. She detonates the stereotype of the dutiful wife. From shenanigans in Budleigh Salterton to state banquets at Buckingham Palace, gun-toting terrorist busters in pizza restaurants to dinners in Downing Street sitting next to Boris Johnson, Devon hedges to partying with City hedgies, she observes the great and the not-so-great at the closest of quarters. The results are painfully revealing and often hilariously funny. Here are the friendships and the fall-outs, the general elections and the leadership contests, the scandals and the rivalries. Swire showed up, shored up and rarely shut up. She also wrote it all down. Diary of an MP's Wife is a searingly honest, wildly indiscreet and often uproarious account of what life is like in the thick of it.

Janette Oke has dreamed for years of retelling a story in a biblical time frame from a female protagonist's perspective, and Davis Bunn is elated to be working with her again on this sweeping saga of the dramatic events surrounding the birth of Christianity...and the very personal story of Leah, a young Jewess of mixed heritage trapped in a vortex of competing political agendas and private trauma. Caught up in the maelstrom following the death of an obscure rabbi in the Roman backwater of first-century Palestine, Leah finds herself also engulfed in her own turmoil--facing the prospect of an arranged marriage to a Roman soldier, Alban, who seems to care for nothing but his own ambitions. Head of the garrison near Galilee, he has been assigned by Palestine's governor to ferret out the truth behind rumors of a political execution gone awry. Leah's mistress, the governor's wife, secretly commissions Leah also to discover what really has become of this man whose death--and missing body--is causing such furor. This epic drama is threaded with the tale of an unlikely romance and framed with dangers and betrayals from unexpected sources. At its core, *The Centurion's Wife* unfolds the testing of loyalties--between two young people whose inner searchings they cannot express, between their irreconcilable heritages, and ultimately between their humanity and the Divine they yearn to encounter.

Ant, a black male California Democrat, met Grasshopper, a white female Texas Republican, by serendipity on

St. Patrick's Day in 2004. This meeting led to a contentious relationship where each began a quest to convince the other that he/she was wrong in his/her political views. What started as a friendly debate became an exchange of ideas on race, religion, politics, and economics. The volatility of their relationship required both to question their values and beliefs. Their spirited debates finally led to one fundamental question, "What is the proper role of government?" The grassroots rise of the Tea Party movement helped both Ant and Grasshopper to realize there is a higher purpose beyond the political parties. Questioning their own perceived values started a journey of discovery... this book tells their story, and in doing so, highlights the insanity of mainstream liberalism.

With an introduction by Will Self. A classic work of psychology, this international bestseller provides a groundbreaking insight into the human mind. If a man has lost a leg or an eye, he knows he has lost a leg or an eye; but if he has lost a self – himself – he cannot know it, because he is no longer there to know it. In this extraordinary book, Dr. Oliver Sacks recounts the stories of patients struggling to adapt to often bizarre worlds of neurological disorder. Here are people who can no longer recognize everyday objects or those they love; who are stricken with violent tics or shout involuntary obscenities; who have been dismissed as autistic or retarded, yet are gifted with uncanny artistic or mathematical talents. If inconceivably strange, these brilliant tales illuminate what it means to be human. A provocative exploration of the mysteries of the human mind, *The Man Who Mistook His Wife for a Hat* is a million-copy bestseller by the twentieth century's greatest neurologist. Bursting with originality and controversy, author Naleighna Kai has created a provocative, and at times heartwarming tale about an age-old problem that will strike a chord with all women. *Every Woman Needs a Wife* is the hilarious, but thought-provoking story of a wife who does the "unthinkable." Strolling in on Vernon and his mistress one night, Brandi Spencer insists that the new woman in his life come home and earn her keep the honest way -- on her feet helping the wife clean the house, keep the children and pay the bills, instead of laying on her back servicing the husband. Tanya Kaufman has had one shock too many -- one minute she's a fiancée, the next she finds out she's been the mistress all along. When Tanya shows up during the surprise anniversary party to take Brandi up on her offer, the women seize the opportunity to teach Vernon that infidelity will no longer come at the expense of the women's time, money, and happiness. Vernon fights back by launching a high-profile court battle that doesn't have a thing to do with splitting the money, keeping the house, or visitation rights. Had any married couple ever fought for custody of...the mistress?

Marriage for many women is simply miserable. And if that's not bad enough, what makes this even worse is that oftentimes it is we men who inject the misery into the marriage (like injecting our favorite marinade into the Thanksgiving turkey). We judge our wives, criticize them, gripe, complain, and fail to appreciate them. Is this behavior helpful? Is it effective? Is it Christ-like? No (and no wonder why the divorce rate among professing Christians is not much different from those who do not follow Jesus)! To tell you the truth, God's plan for the way you treat your wife looks very different. Throughout *With No Strings Attached: 28 Days of Blessing Your Wife*, Dr. Steven Bell details twenty-eight unique ways for you to love your wife unconditionally. Each approach to blessing your wife is simple, yet immensely challenging (and well worth your time). The days of the "status quo" husband are quickly coming to an end, and our wives need more from us than we've been giving them. Grounded in scripture and a number of other helpful resources, *With No Strings Attached: 28 Days of Blessing Your Wife* provides a clear blueprint of how to take your marriage from miserable to magnificent.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

“A fully immersive, intricately crafted story inspired by the pages of history. In Pheby, Sadeqa Johnson has created a woman whose struggle to survive and

to protect the ones she loves will have readers turning the pages as fast as their fingers can fly. Simply enthralling.” —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* Called "wholly engrossing" by New York Times bestselling author Kathleen Grissom, this harrowing story follows an enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother's position as the estate's medicine woman and cherished by the Master's sister, she is set apart from the others on the plantation, belonging to neither world. She'd been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil's Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer's cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.

There on her forearm, next to a small brown birthmark, were six tattooed numbers. 'Do you remember me now?' he asked, trembling. She looked at him again, as if giving weight and bone to a ghost. 'Lenka, it's me,' he said. 'Josef. Your husband.' During the last moments of calm in prewar Prague, Lenka, a young art student, falls in love with Josef. They marry - but soon, like so many others, they are torn apart by the currents of war. In America Josef becomes a successful obstetrician and raises a family, though he never forgets the wife he thinks died in the camps. But in the Nazi ghetto of Terezin - and later in Auschwitz - Lenka has survived, relying on her skills as an artist and the memories of a husband she believes she will never see again. Now, decades later, an unexpected encounter in New York brings Lenka and Josef back together. From the comfort of life in Prague before the occupation to the horrors of Nazi Europe, *The Lost Wife* explores the endurance of first love, the resilience of the human spirit and our capacity to remember.

At the one-year anniversary of his death, legendary musician Prince's first wife shares a uniquely intimate, candid, and revelatory look inside the personal and professional life of one of the world's most beloved icons. In *The Most Beautiful*, a title inspired by the hit song Prince wrote about their legendary love story, Mayte Garcia for the first time shares the deeply personal story of their relationship and offers a singular perspective on the music icon and their world together: from their unconventional meeting backstage at a concert (and the long-distance romance that followed), to their fairy-tale wedding (and their groundbreaking artistic partnership), to the devastating losses that ultimately dissolved their romantic relationship for good. Throughout it all, they shared a bond more intimate than any other in Prince's life. No one else can tell this story or can provide a deeper, more nuanced portrait of Prince -- both the famously private man and the pioneering, beloved artist -- than Mayte, his partner during some of the most pivotal personal and professional years of his career. *The Most Beautiful* is a book that will be returned to for decades, as Prince's music lives on with generations to come.
