This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerer's Secrets is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer's Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical

magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. The Sorcerer's Secrets will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

This is the 3rd of the Castle's and Buttons Series . If you've read the ones that came before; The Introduction to Castles and Castles Book One, this third book,Castles and Buttons, Book Two, goes a bit deeper into the higher study and its implications. Implications include money flow and financial events. The key understanding to get to, is everything is simply given. Those of us who are committed to understanding higher things at some point are ready to entertain this notion of everything is just given to us. When I reached that place of understanding that this could be true, the effort then came in unraveling any underlying themes or beliefs that kept me from the experience of it. The unraveling came in both the knowledge and the experience of the fact, that I did not

I've had to develop my own way, my own games. I've had to not listen to all the hype, while still enjoying parts of it. I have fully convinced myself that circumstances and conditions do not matter. When we are purely aligned with Source Energy, our thoughts, ideas and timing all meet for a wonderful event or experience. It becomes the way we live, instead of the occasional miracle.

" I wish to invite you to the consideration of a great principle of Nature—a great natural force that manifests its activities in the phenomena of Dynamic Mentation—a great Something the energies of which I have called MIND-POWER." My thought on the subject is based upon the fundamental conception that THERE EXISTS IN NATURE A DYNAMIC MENTAL PRINCIPLE—A MIND-POWER—PERVADING ALL SPACE—IMMANENT IN ALL THINGS—MANIFESTING IN AN INFINITE VARIETY OF FORMS, DEGREES, AND PHASES. I hold that this energy, or force, or dynamic principle, is no respecter of persons. Its service, like that of
