

### Silvers Spells For Protection

From starry night rituals to garden toad totems, discover the enchanting craft of the HedgeWitch. Transform your life with a little help from nature! Working in harmony with the earth's energy is the heart of the free-spirited, simple garden magick known as HedgeWitchery. This guidebook from the immensely popular Silver RavenWolf has everything a new HedgeWitch needs to connect in a pers-affirming energy and use it in magick and spellwork. HedgeWitch features a fourteen-lesson, hands-on guide that you complete at your own pace, interacting with different aspects of nature in simple yet life-changing ways. The fourteen rituals, which can be done alone or with a group, culminate in an inspiring dedication ceremony. Along with a wealth of helpful hints on using HedgeWitch magi guide presents tips and recipes for soap making, tea-leaf reading, butterfly garden magick, organically growing your own herbs, and a variety of other ways to use HedgeWitchery in your hearth, home, and garden. Praise for Silver RavenWolf: "RavenWolf's prose is delightful and inviting...a wonderful guidebook for readers who are serious about beginning a Wiccan spiritual journey."—Publishers Weekly This treat of a reptile-inspired romance is revived by a fresh new cover look.

Drawing from quantum physics theories, the author reveals that it is possible to change our current reality by achieving a special state of consciousness that, using various techniques, can be used for healing, problem solving, relaxation, positive thinking, and general health and well-being. Original.

Selling more than 300,000 copies, this popular guide to the Craft has been helping a new generation of Witches—those practicing or wishing to practice the Craft on their own—for over a decade. Filled with Silver RavenWolf's warmth, humor, and personal anecdotes, To Ride a Silver Broomstick introduces the science and religion of the craft.

What do you do when you discover that your best friend at work sabotaged your promotion? Or if a neighbor suddenly decides that you don't belong in his town? What if a group of teens sets out to make your life a living hell? Silver's Spells for Protection contains tips for dealing with all these situations, and more. This book covers how to handle stalkers, abusers, and other nasties with practical techniques. It also discusses some of the other irritants in life-like protecting yourself from your mother-in-law's caustic tongue and how to avoid that guy who's out to take your job.

Written by the best-selling author of The Wiccan Handbook, Spells for the Solitary Witch is clear and easy to follow. Spells for the Solitary Witch explains how to prepare and cast spells 87 spells in all together with the materials needed for each spell and the incantations to say that will ensure the best results. Tailored to the needs of solitary witches, Holland suggests alternatives to hard-to-find ingredients crucial to a spells success. "Solitary Witches," writes Holland, "are those who practice the Craft without a coven or other group. Some Witches are solitary because of circumstances, but the rest of us are solitary by choice...we feel no need to join a formal group. We like our independence and prefer the freedom to do things our own way..."

Grimassi has written extensively about Wicca, and Llewellyn specializes in books sympathetic to occult ways, so the combination is pretty predictable. He describes not only the usual magic practices, but also the religious and spiritual aspects of what believers say is inherited ancient European wisdom and scoffers say is made-up, new-age nonsense. Annotation copyrighted by Book News, Inc., Sixteen-year-old Cricket enlists the help of the Witches' Night Out coven to help her find the stalker who is threatening her family's farm.

*A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of Women of the Golden Dawn, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.*
