They believed in a model where each partner

contributed equally and fairness ruled, but, in reality, they were finding that balance near impossible to achieve. From this frustration, they developed the idea of the 80/80 marriage, a new model for balancing career, family, and love. The 80/80 Marriage pushes couples beyond the limited idea of "fairness" toward a new model grounded on radical generosity and shared success, one that calls for each partner to contribute 80 percent to build the strongest possible relationship. Drawing from more than one hundred interviews with couples from all walks of life, stories from business and pop culture, scientific studies, and ancient philosophical insights, husband-and-wife team Nate and Kaley Klemp pinpoint exactly what's not working in modern marriage. Their 80/80 model of marriage provides practical, powerful solutions to transform your relationship and open up space for greater love and connection.
