

The Kingdom

This novel of murder and its aftermath in a small Vermont town in the 1950s is “ reminiscent of To Kill a Mockingbird . . . Absorbing ” (The New York Times). In Kingdom County, Vermont, the town ’ s new Presbyterian minister is a black man, an unsettling fact for some of the locals. When a French-Canadian woman takes refuge in his parsonage—and is subsequently murdered—suspicion immediately falls on the clergyman. While his thirteen-year-old son struggles in the shadow of the town ’ s accusations, and his older son, a lawyer, fights to defend him, a father finds himself on trial more for who he is than for what he might have done. “ Set in northern Vermont in 1952, Mosher ’ s tale of racism and murder is powerful, viscerally affecting and totally contemporary in its exposure of deep-seated prejudice and intolerance. . . [A] big, old-fashioned novel. ” —Publishers Weekly “ A real mystery in the best and truest sense. ” —Lee Smith, The New York Times Book Review A Winner of the New England Book Award

Saudi Arabia is one of the most closed countries in the world. To separate fact from fiction, Nicola Sutcliffe decided to go behind the veil for four years living, working and socialising in Saudi society. The resulting project - this fascinating and revelatory book - aims to raise the voices of these women; to share their realities, dreams, frustrations and talents. Through personal interviews, thirty women share their stories: from world-renowned activists to wives in polygamous households; high-ranking princesses to desert-dwelling bedouins. They talk candidly about the issues most intriguing to a Western audience – driving, sister wives and the religious police – as well as lesser known aspects of their lives, including under-the-abaya fashion, underground parties, and the practice of ‘ purchasing ’ husbands online. Many of the topics they discuss are completely unreported, until now. This compelling book also includes timely essays on wide-ranging subjects including driving, transgenderism, male guardianship, religion, politics and sexuality. Authentic, eye-opening, inspiring, courageous, this book will challenge stereotypes and reveal the intimate thoughts and details of women’s lives in this most intriguing and mysterious of countries. At a time when the Kingdom appears to be on the cusp of change, this unique book captures the essence of what it is like to be a woman living in Saudi Arabia today.

For the first time a detailed analysis of the cultural and political relations of Egypt and Kush render possible a new definition of the genuine features and development of Kushite culture during its full fifteen centuries' existence.

With the subjugation of the Principality of Amidonia accomplished, Souma, the provisional king, begins the post-war cleanup process with his next move, Project Lorelei. It is an entertainment program that uses the Jewel Voice Broadcast. It was originally only thought that this program would amuse the people of the Kingdom, but it is being broadcast in occupied Van, too. What does Souma hope to accomplish with that...?! Then, when Souma takes some time off to rest in the capital of Amidonia, Van, with Juna and Tomoe, he encounters Jeanne Euphoria, the younger sister of the Empress of the Gran Chaos Empire. What sort of "negotiation" does the "realistic" Jeanne, who supports her idealistic sister, have in store for Souma...?! The revolutionary transferred-to-another-world administrative fantasy is now on it's third volume!

"Disney on steroids... a surefire discussion starter about desire and power." Bulletin of the Center for Children’s Books Welcome to the Kingdom, a dazzling fantasy theme park where 'happily ever after' is not just a promise, but a rule. . . . It's a fairytale which ends in murder as the one of the 'Fantasists' goes renegade... Ana, a half-human, half-android princess, is tasked with entertaining visitors and making wishes come true but now she's on trial, after finding herself experiencing emotions and romantic feelings against all her programming. Told through court testimony, interrogation records and fragmented flashbacks, The Kingdom has the futuristic appeal of Westworld and the twists and turns of a true-crime thriller.

The Kingdom Life provides an integrated approach to spiritual formation. This rich compilation from an extraordinary team of thinkers offers sound theology and key practices to strengthen you and those you disciple in light of Christ's lordship and life in the kingdom. -- back.

By showing how Jesus' teachings relate to our inner depths, this book guides us toward a more conscious and creative life. The Kingdom Within explores the significance of Jesus' teachings for our interior life -- that inner reality that Jesus called "the kingdom of God." It is Sanford's conviction that contemporary Christianity has overlooked this inner dimension of Jesus' teachings and so has lost touch with the human soul. Illustrated with case histories and dream material drawn from the author's work as a psychotherapist, **The Kingdom Within** examines such characteristics as extroversion and introversion, masculinity and femininity, thinking and feeling, and sensation and intuition to show how Jesus met the criteria of wholeness or fullness of personhood. Step by step, Sanford helps us to shed the outer mask, to eschew sin, which "means living in enslavement to what we don't know about ourselves," and to follow the road of consciousness, which leads to "a great treasure waiting only to be discovered."

The Goal, explains how one can access, dwell and operate in the Kingdom of God, based on the teaching of Jesus, found in Matthew Chapter 5. Pastor Evans breaks down each Beatitude and offers the reader a step by step guide to access the Kingdom of God. A powerful book that will move each person who reads it into a powerful and fruitful relationship with the Lord, bringing Heaven to Earth. The Goal, is a modern classic drawing the reader back to it again and again for more wisdom and knowledge.

First-century followers of Christ (representatives of the Kingdom of God on earth) lived in accordance with what they preached. Many laid down their lives rather than compromise Kingdom values. For them, the gospel of Jesus Christ, the Son of God, was more than words; it was about imitating Him. There is utter confusion in the twenty-first century Christian world because unfaithful stewards over the centuries added to the gospel of Christ. Their creation--a new Christianity ("Religious Christianity")--commingled Kingdom and worldly values, shut out the Holy Spirit from His Church, and undermined Christ's teachings. The result: many Christians cannot differentiate the wheat from the chaff, the truth from the lie, the gospel of Christ from the false gospels, biblical churches from syncretistic churches, good stewards from bad stewards, and Kingdom values from worldly values. Stewards of the Kingdom takes away the grey, brings clarity, exposes centuries' old conspiracies and lies, and calls on followers of Christ (Kingdom representatives) to rise up and take back their stolen Kingdom.

A concise and stimulating exposition of Christian belief and practice concerning healing.

The author discusses the stunning biblical truths about destiny and the future quality of life Christians will enjoy in the Millennial Age. (Practical Life)

This work demonstrates a continuity between Christianity and the Akan/African religio-cultural traditions, by working with the Christian biblical metaphor of the Kingdom of God.

Thirty years after the best-seller, Golf in the Kingdom, the philosopher of golf, Shivas Irons, and his mentor, Seamus MacDuff, take a second journey across the world's links in search of the spiritual power of the game. Reprint. \$50,000 first printing.

Watch out for The Jealousy Man, the dark and twisted new collection of crime stories from Jo Nesbo, coming September 2021 'Suspenseful, original...special in every way' Stephen King TWO BROTHERS. BOUND BY BLOOD..AND A LIFETIME OF SECRETS. When Roy and Carl's parents die suddenly, sixteen-year-old Roy is left as protector to his impulsive younger brother. But when Carl decides to travel the world in search of his fortune, Roy stays behind in their sleepy village, satisfied with his peaceful life as a mechanic. Some years later, Carl returns with his charismatic new wife, Shannon - an architect. They are full of exciting plans to build a spa hotel on their family land. Carl wants not only to make the brothers rich but the rest of the village, too. It's only a matter of time before what begins as a jubilant homecoming sparks off a series of events that threaten to derail everything Roy holds dear, as long-buried family secrets begin to rise to the surface... _____ PRAISE FOR THE KINGDOM: 'The Kingdom is a stunning novel from a storyteller with few equals' Daily Express 'Jo Nesbo remains the king of Scandicrime' Financial Times 'A stunning novel' Daily Mirror 'A sombre delight. There are shades of a Nordic Ripley, or maybe Virginia Andrews on aquavit. Choose your poison' The Times 'The latest stand-alone from the chronicler of Inspector Harry Hole puts all the murky, violent twists on brotherly love that you'd expect from this leading exponent of Nordic noir...' Kirkus Reviews (Starred Review) _____ READERS LOVE THE KINGDOM: ***** 'Intriguing, mysterious, full of suspense and as twisty as one of the roads up to The Kingdom' Netgalley reader ***** 'A gripping read... once it all starts to fall into place you can't put the book down!' Netgalley reader ***** 'To say I couldn't put it down is an understatement... One of my favourite books this year' Netgalley reader ***** 'A great read with plenty of twists and surprises...my book of the year so far' Netgalley reader

This is the first major work in English on the political and social history of the Kingdom of the Two Sicilies, a state that flourished under five kings of the House of Bourbon from 1734 until its annexation to the newly-unified Italy in 1861. Formally constituted in 1816, the Two Sicilies united the kingdoms of Naples and Sicily to form the largest and most prosperous of the pre-unitary Italian states. At its demise in 1860, the Kingdom of the Two Sicilies boasted a treasury of gold reserves exceeding those of all the other Italian states combined, and the largest royal palace in Europe, at Caserta outside Naples. It was the most industrialized state in the Italian peninsula, home to Italy's first railroad, first public pension plan, first unemployment benefit plan, and first recycling system. The Two Sicilies has left its mark on what the world perceives as Italian culture. Spaghetti, pizza and one of Europe's first chocolate recipes were born in this region, along with the first vernacular Italian literary language. It was from this part of Italy that most Italians migrated to the United States, Canada, Argentina and elsewhere at the beginning of the twentieth century, and this book complements studies of family history by those having roots in this region. In this volume, a leading historian brings us the true story of a semi-forgotten kingdom and its people. This long-awaited book will be of interest to Italophiles, travelers, armchair historians, researchers, Italian descendants around the world, and to anybody curious about the history of a unique region that traces its origins from ancient Magna Graecia and the medieval, multicultural kingdom founded by Norman adventurers during the twelfth century. It is a usefUL reference for libraries and an excellent introduction for students. In these pages is the untold story of the other Italy, the most typically Mediterranean region of a diverse country. While many histories of modern Italy focus on Rome and the cities to its north, the stars of this book are Naples and Palermo. Even readers familiar with Italy may find a few surprises here. This is an accurate, candid, unvarnished history that transcends clichés, stereotypes and clouded misperceptions. It includes a timeline, photographs, several maps, genealogical tables, seven informative appendices on such topics as coinage and heraldry, and a bibliography. Until now, books written in English about the Kingdom of the Two Sicilies have tended to focus on the ruling dynasty or arcane topics such as its orders of chivalry. There have also been specialized studies of the Italian unification movement and books about Italian history broadly. This is the first book in English that considers the Kingdom of the Two Sicilies in a general way. Much of the information was drawn from original sources such as royal decrees and eyewitness accounts of events. The story of the Two Sicilies is the story of every family of southern Italy. It is an epic to be cherished for all time. Here is the identity of a people and a culture.

With over 6 million people incarcerated or under legal supervision, corrections has become a larger and larger part of American life. Indeed, older prisons have become tourist attractions. Do you work in corrections or know someone who does? Do you try to work heartily unto the Lord, and to see each person as being created in the image of God? Let these snapshot meditations show: How a murderer can glorify his creator. Where God drops pearls. The power of a flower. How a life of lies can lead to eternal truth. Who reveals Jesus’ second commandment. How a kitten can be holy. The pain of the past and fear of the future. How a small obedience can be a great testimony. The power of perception. Where nobody knows your name. How locking down can lead to looking up. How anger evolves to adoration. How obedience breeds blessing. How God is the change agent. Who sees in the dark and hears in the clamor. What matters at the end. The impact of stories known by heart. How bad boys can bless. The pain of pride; the shame of sin.

Follows the line of the Saudi succession from its nineteenth-century origins to the present and chronicles the nation's ruling families' progression to an oil superpower.

Out-of-this-world magical adventure series for teens from the award-winning, New York Times bestselling author of Sabriel and the Old Kingdom series. Seven days. Seven keys. One very unlikely hero. Arthur Penhaglon has wrested five of the Keys from the Trustees of the Will, but gaining the Sixth Key poses a greater challenge than any before. Superior Saturday is the oldest Denizen and the most powerful sorcerer within the House. She has thousands of sorcerers at her command and has been preparing for the Rightful Heir and the Will's escape all along. As Saturday's schemes become evident, Arthur is beset on all sides. The House is being destroyed, and only the Keys can hold back the tide of destruction. Arthur's home city is under attack. His allies are unreliable. He can't get into the impregnable Upper House, and even if he does, finding the Sixth Part of the Will and the Sixth Key might not be enough to stop Saturday's ultimate bid for power.

The Kingdom is Clive Cussler's third Fargo Adventure. Whether it's lost treasure or missing persons, the Fargos find themselves in a heap of trouble every time . . . When Texas oil baron Charlie King contacts Sam and Remi Fargo he has an unusual request. He hired an investigator - and good friend of the pair - to locate his missing father in the Far East. But now the investigator has vanished. Would Sam and Remi be willing to look for them both? Though something about the request doesn't quite add up, Sam and Remi agree to help out. It's a journey that takes the Fargos to Tibet, Nepal, Bulgaria, India, and China. They get mixed up with black-market fossils, a centuries-old puzzle chest, the ancient Nepali kingdom of Mustang, a balloon aircraft from a century before its time . . . and an extraordinary skeleton that might turn the history of human evolution on its head. Oh, and not a few unfriendly people with guns and itchy trigger fingers . . . Clive Cussler, author of the celebrated Dirk Pitt novels Treasure of Khan and Valhalla Rising, presents the third novel in his newest series, following the adventures of treasure hunters Sam and Remi Fargo. The Kingdom follows Spartan Gold and Lost Empire. Praise for Clive Cussler: 'Cussler is hard to beat' Daily Mail 'Cussler is the guy I read' Tom Clancy

Dark and romantic YA fantasy for fans of Sarah J Maas - about the siren with a taste for royal blood and the prince who has sworn to destroy her. Princess Lira is siren royalty and the most lethal of them all. With the hearts of seventeen princes in her collection, she is revered across the sea. Until a twist of fate forces her to kill one of her own. To punish her daughter, the Sea Queen transforms Lira into the one thing they loathe most - a human. Robbed of her song, Lira has until the winter solstice to deliver Prince Elian's heart to the Sea Queen or remain a human forever. The ocean is the only place Prince Elian calls home, even though he is heir to the most powerful kingdom in the world. Hunting sirens is more than an unsavoury hobby - it's his calling. When he rescues a drowning woman in the ocean, she's more than what she appears. She promises to help him find the key to destroying all of sirenkind for good. But can he trust her? And just how many deals will Elian have to barter to eliminate mankind's greatest enemy?

Situated along the Senegal River, the Kingdom of Waalo was the smallest of the Wolof states of Senegal, but it illustrates the broader consequences of a shift from trans-Saharan to trans-Atlantic commerce during a time of competing European, Muslim, and indigenous African forces. From the establishment of a French trading post in 1659 to the early nineteenth century, the history of Waalo was closely tied to French interests in St. Louis, popular revolutionary Islamic movements, and internal rivalries between competing royal families and provincial leaders. Stimulating Waalo's socio-political changes were the devastations and fluctuations of the Atlantic slave trade, as well as the Muslim attack on its aristocracy. Torn by internal divisions, devastated by French and Berber incursions, Waalo's institutions and its economy declined. Residents of Waalo sought their own solutions only for external agents to ruin their efforts. By the nineteenth century, the French attempted to establish a plantation economy in Waalo, culminating in their military control of the state and the Senegal valley. This newly translated study is a vital tool in our understanding of Senegal's history, its place in the era of trans-Saharan and trans-Atlantic commerce, and its development into the present. The book should be of value to African studies scholars, anthropologists, and historians of Africa, colonialism, empire, and post-colonialism.

Reproduction of the original: The Kingdom of the Blind by E. Phillips Oppenheim

This Article IV Consultation highlights that the Dutch economy has grown faster than the euro area average over the past few years reflecting recovering consumption and investment, and strong net exports. Progress with tackling long-standing imbalances in the households and corporate sectors, and thus external imbalances, has lagged. Households remain highly leveraged and their consumption constrained by a stagnating disposable income. In the corporate sector, dominated by large multinational corporations, investment is low but savings are high, and developments are diverging with domestic small and medium enterprises relatively stagnant. Strong fiscal performance in recent years has boosted buffers that can now be used to reduce distortions and strengthen potential growth. The report recommends that it is important to harmonize tax benefits and social security contributions for different types of employment to reduce labor market duality while increasing overall labor market flexibility. Using fiscal space to address household and corporate imbalances is desirable and is unlikely to jeopardize long-term fiscal sustainability.

""Your heart will guide, and then you'll find your mind will understand and set a-right, the two will give the power to your hands."" A Dissonance has been spreading throughout the Kingdom of Solfeggio. Could a child who is not of their world be the Resolutionary who brings peace to the kingdom once again? The first novel in the book series from Legends of the Staff of Musique, The Kingdom of Solfeggio is a world on a quest to defeat the Great Dissonance. With the help of friends she encounters along the way, she realizes her purpose as she discovers the music within.

'The Kingdom, already a huge bestseller in France, is thrilling, magnificent and strange' Bryan Appleyard, Sunday Times 'An utterly brilliant book' Catherine Nixey, The Times The sensational international bestseller from one of France's most fêted writers - an epic novel telling the story of Christianity as it has never been told before, and one man's crisis of faith. Corinth, ancient Greece, two thousand years ago, tells the story of a prophet who was crucified in Judea, who came back from the dead, and whose return is a sign of something enormous. Like a contagion, the story will spread over the city, the country and, eventually, the world. Emmanuel Carrère's astonishing historical epic tells the story of the mysterious beginnings of Christianity, bringing to life a distant, primeval past of strange sects, a man who was himself a fervent believer, questions his own faith, asks why we believe in resurrection, and what it means. The Kingdom is his masterpiece.

For 2,000 years the Arameri family has ruled the world by enslaving the very gods that created mortalkind. Now the gods are free, and the Arameri's ruthless grip is slipping. Yet they are all that stands between peace and world-spanning, unending war.

Translations from the original texts are a particular feature of the book. Thus on many issues the Hittites and their contemporaries are allowed to speak to the modern reader for themselves."--BOOK JACKET.
