

The Making Of A Submissive Wife

Can a modern wife be submissive to her husband? In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife—marital submission. What does biblical submission look like for wives today? And why is submission viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it? Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and “helper” to her husband. The answers—and her discoveries—may surprise you. This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today.

In his insightful book, *The Making of a Leader*, Frank Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of "followers."

falling down a slope in the mountains of North Carolina. The next, I'm waking up in a giant lumberjack's bed. The goliath of a man wants me to stay until I'm better. But as long as I'm under his roof, he demands obedience. I've never known anyone so fiercely protective of me, even as he bends me to his will. Levi's an assertive man who knows how to use his powerful body to get what he wants. And he wants to be in control. I'm surprised to discover that might be what I want too. Levi knows the ropes, and I can only hope he'll use them to tie me down. LEVI: He's in my territory now, and that makes him mine. This stretch of the Smoky Mountains belongs to me. Out here on my own, I control it all from my mountainside cabin all the way down to the creek. I don't want company, and I've never cared about romance. But my body craves a certain release now and then. When a city boy with a face like a marble statue takes a hard fall right in front of me, I take him to my cabin to recover. But once he wakes up, I find I can't resist him. I've never been with a man, but it doesn't make any difference. I know what I want: Jake, in my bed, now. He needs a strong hand to guide him. If he wants to remain here while he recovers from his fall, he'll have to follow my rules and obey my commands. And if he does as I say, I might just let him stay. Note to readers: This is an extra spicy MM romance, heat level 10. Readers can expect several steamy scenes that will leave you breathless.

Lori must prepare herself for the flogging of her life. Lori has been keeping a secret from her friends. She's being taught the lifestyle by a Swedish Dom, Jaska. Soon it'll be time for him to let her go, but there's one issue. She's fallen in love with him and he doesn't know it. With two secrets on her mind, plus knowing her relationship with Jaska will soon end, Lori isn't sure what to do. Jaska collects her and whisks her away to his home. His dungeon is a place Lori feels immediately at ease in, and when she spies the flogging horse, she knows she has to climb aboard. In a last ditch attempt to revive her marriage, Sarah decides to follow the dictates of a book titled, "How to Be a Submissive Wife". Everything ran smoothly until she gave her husband the companion book to hers called, "How to be a Dominant Husband." Little did she know that this book was a Domestic Discipline manual that instructed her husband to set up Rules for her to follow and suggested discipline in the form of spanking if she broke these rules!(This is a work of erotica. It contains explicit sexual scenes. It is not intended for readers

This red hot erotic novella continues the story of Suzi, a respectable wife and mother who chose to become submissive to keep her husband and found she loved it. Told from the point of view of her husband, Damion, we see Suzi's confidence as a submissive grow as she goes from one adventure to the next; each more explicit than the last. Blacked, dogged, switching and then starring in a porno, Suzi continues to have her boundaries tested. Extract: Gary held out his hand as if they were at a fifties tea dance and pulled my wife into the middle of the floor. I'd chosen a pop tune to start with and I watched the two of them jive around, Suzi taking every opportunity to shake her tits and arse in my direction, as I sat and watched them dance from a convenient armchair. Then the track changed and something a lot slower came on; Gary's cue to pull Suzi in close and hold on to her. Gary held my wife with one hand in the middle of her back and it seemed like their bodies were moulded together. Suzi's considerable tits were squashed against his broad chest and her crotch rubbed against his as they moved. Just watching them together was making me hot. The track came to an end and he lifted her face towards him with a finger under her chin. Without asking for permission, he took her lips in his and kissed her passionately. Pulling back, he spoke softly to her. "I am going to make love to you my pretty one. Lead

me to your bedroom.”

- The differences between passiveness and submissiveness- The truth will shock you!
- Why Satan hates submission.
- The power and effectiveness of true submission.
- How to submit to your husband, whether he's godly or ungodly.
- When you are not required to submit.
- The signs of a controlling man and how to avoid him.
- How controlling men use money, scriptures and sex to manipulate and control their wives.
- How the Jezebel spirit uses our fear of submission to establish itself as the governing authority over our households.
- Signs and behaviors of the Jezebel spirit and how to rid your home of it.

If you're single, this book will help to prepare you to be the wife God has designed you to be and help you avoid the many narcissistic devils that Satan has sent out to entrap you. If you're married, this book will help you to become the wife God has designed you to be and to change the temperature of your marriage from lukewarm to blessed.

"A powerful work of skillful research and personal insight."--Publishers Weekly
Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.

Beyond any shades of grey, there's an entire kinky world of BDSM, full of real life dominants and submissives enjoying an intimacy and satisfaction in their relationships that vanilla folk only dream of. Whether you want to explore your own submissive fantasies, or you're just curious about what BDSM is really like, this book will answer all your questions, plus some you didn't know you had. Erotic author Kate Kinsey ("Red," and "The Totally Uncensored Kinky Adventures of Chloe St. Claire, Sex Slave") brings over a decade of experience as a submissive and kinky educator to this practical step-by-step guide to being a healthy and happy submissive. Topics covered include: the differences between dominants and masters, submissives and slaves, and tops and bottoms; the different dominant styles; the truth about "training" to be a submissive; how to find like-minded folks in your area; how to negotiate scenes and relationships; what to expect at your first dungeon party; why some people actually enjoy pain; and the warning signs to look out for when talking to potential partners. "Kinsey has written a no-nonsense guide that thoroughly explains the various kinks and fetishes that come under the umbrella of BDSM. Most importantly, she

emphasizes the importance of protecting yourself along the way with knowledge, friends and self-awareness." "This is not fiction, but reality. Kate Kinsey has the experience to tell it like it is, not the way some vanilla writer imagines it to be." The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and-importantly-about giving control back once you are done with it. The book discusses how this works-the psychology of it-and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you. The first volume of Submissive Women combines three of Charlotte Edwards' most popular stories in one volume of over 13,000 words. TRAINING MY WIFE The marriage got stale, Suzi got fat and unattractive and Damion got a mistress with whom he was able to indulge his wildest fantasies. When he told his wife he

intended leaving her for his new love, she decided to do anything she had to to keep him. That would mean training! SHARING MY WIFE Suzi used to be an inattentive wife and that nearly cost her marriage when her husband got a mistress. Determined to be the lover her husband wants, she is led down a path of pleasure, depravity and fun. On this occasion, she is tied up and offered to another couple. WIFE'S TOY PARTY Naughty wife, Suzi, is going out of her way to keep her husband and Master happy. Throwing a marital aids party at home, she invites twenty of the loveliest ladies from the neighbourhood and ensures He has a front seat for the show and plenty of opportunity for audience participation. Extract: 'I finished my Champagne and Suzi took that as the signal I intended it to be to knock back her own drink, walk across the room and stand passively by my side, shedding her robe on the way. Drinking in her beauty, I ran a hand down the curve of her ample breast, along the tight leather corset I had cinched her into earlier and followed the flair of her hip. Standing abruptly, I pulled her slender arms behind her back and taking a long leather sheath, began to lace it up the length of her arms. With a last tug, I fastened the restraint off with a bow and admired the way in which it made her 38DD breasts lift and project even further. For a few seconds, I couldn't resist taking her nipples into my mouth one at a time, elucidating a low moan from my horny woman. Getting back to work, I fitted

her ankles with a spreader bar and then lodged a four inch penis gag firmly into her throat. Suzi made a token attempt at struggling as this was inserted - she really didn't like it much but once it was fully in and fastened, she relaxed again. We both learned a long time ago that the one faculty Suzi had to give up for total submission was her voice. The final touch was a leather blindfold and a small butt plug, pushed firmly in place just as the doorbell rang. With a last rub of her sopping wet pussy, I left my beautiful wife standing vulnerable and available in the middle of the bedroom as I went to let our guests in.' These are explicit erotic tales which will appeal to both sexes and as you might expect, have detailed descriptions of many sexual activities, including bondage, whipping and double penetration. If that sort of stuff offends you, please do not read it!

One of Glamour's Best Books of 2020 Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and

dominate.” (Sarah Cooper, author of How to Be Successful without Hurting Men’s Feelings).

Submission can be described by a lot of words but “easy” isn’t one of them. Discovering and honoring your desire to submit takes courage, strength and passion. Learning to follow the lead and rhythm set by another, and stretching your limits to accommodate training and service can challenge and exhaust you. The discipline to hold your tongue, retrieve your paddle, or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy. Submission stretches, taxes, pushes, and exposes your body and soul to the whim and desire of another. Submissive women need support, care and nurture to continue on this journey in a healthy fashion. "Care and Nurture for the Submissive" offers tips, understandings, and pathways to tend the fragile and beautiful souls of submissive women. Self-care is not selfish; it is essential. Only when you are taking care of yourself as a healthy, whole being can you give that self to another with a full heart and free joy.

THE SUNDAY TIMES BESTSELLER Sarah K has a secret. By day she’s a writer and level-headed single mother; by night she’s a submissive, living a real-life Fifty Shades of Grey that is thrilling beyond her wildest dreams. But this is no fantasy: Sarah’s story is all true.

Why did I write this book? Lots of people have read my books and stories, and have enjoyed them immensely

These sizzling tales of domination and submission feature lots of spanking, BDSM, hair pulling, dirty talk and more. Buckle up for the ride! Punish Me: Kayla is tired of her husband's passive behavior and finds herself in the arms of Shawn, her sexy, muscle bound personal trainer. He takes her for a wild ride, which has them stealing time to sneak around town to ravage each other's bodies, taste each other and driving each other wild. He spansks and dominates her in ways that her husband won't. It's Kayla's favorite kind of punishment... EXCERPT: When I felt Shawn's belt crack against my naked ass, I felt every bit of that raw leather hide, and felt the force that he put behind it. By now, he knew my body like the back of his hand, and which buttons to push. He knew how hard to go, while easing up when necessary. And I wasn't made of glass, so

I wanted him to punish me. "Oooh, yeah. Spank me, daddy," I said, as I stared at the ground, with my ass in the air, bent over his knee. I wiggled my sexy buns, so that I was in perfect position for more strikes. He was spanking me hard and making me horny with each lash of the belt. Skin on Skin: Marissa's idea to go to a Jamaican nude resort with her husband backfires, as he scoffs at the idea, and is more content going forth with their dull, boring, sexless marriage. With tears in her eyes, Marissa goes back to the travel agency, and is seduced by a handsome, charming, intelligent Jamaican man who works at the agency. This kick starts a fling that features the naughtiest, most exciting moments, including doggy style with Marissa bent over furniture, reverse cowgirl and loads ... ahem, LOADS of mouth play. Can Marissa take the Jamaican heat? EXCERPT: Thankfully, no customers stopped in for help during the last hour, because Marissa was having the time of her life. She never would have guessed that she'd meet a stranger and become so engaged. She had spoken with Sean more than she had probably spoken with her husband in the last year. There was a sexy charm about him that she couldn't get enough of. "I'm telling you. You would have had a magnificent time," Sean said. Marissa took a sip of her drink and let it swish around in her mouth before swallowing. It was delicious. "Well, how do people get over the whole naked part?" she asked. Sean smiled. "There's nothing to it, but to do it. They have a prude side and a nude side—nobody uses the prude side. People want to be free, they just have to get over themselves and have fun. Isn't that what life is all about?" He let

the question linger. Marissa nodded her head. It absolutely is what life is about. Here she was, in this moment, with a handsome professional black man who owned his own business, knew how to treat a lady and traveled back to a paradise island a few times per year. "Remind me against why I'm still married," Marissa said jokingly.

A television dating show? What sensible woman does that? Desperate times force drastic measures as thirty-two-year-old Sophie Baxter searches for Mr. Right Dom. But for a shy submissive, five weeks on a reality show might be a bad decision. One decision is easy, however: the Dom she chooses won't be an actor. Dex Hampton... successful film actor, coveted bachelor, and England's sexiest export, but for this

mysterious, reserved Dominant, fame isn't a goal. Finding the right submissive is his top priority, and he'll do anything to get his girl. Jake Sinclair's golden good looks and rakish Aussie charm fuel his flourishing acting career. He does his own stunts and tackles life full on. He's achieved everything he's ever wanted, except finding the right submissive. When he sees Sophie, nothing will stop him from winning her. Not even the competition of his longtime friend and fellow Dominant, Dex Hampton. As the entire world watches, two movie superstars compete for a beautiful submissive who is ready to yield in all ways but one: she will not have an actor as a Dom.

Abby stood nervously before her Master in the classic submissive pose: fully nude, legs apart, wrists placed behind her back; deeply ashamed of her evident arousal. Worse, she had to recount in exact detail the proceedings of her last whipping. The whipping had been severe; as was the case with most of the clients she was commissioned to serve. These client appointments were scheduled a few weeks apart, in order that the welts, bruises and whatever other marks were left behind had ample time to heal. After all, each new client - whether male, female, a couple, or even a group - surely deserved a fresh canvas upon which to begin. Despite these harsh sessions, her body reacted like that of a wanton whore as she retold of the sadistic punishments and extreme sexual use inflicted upon her body. How far would her Master push her with these 'tests'? How far would Abigail go? How many times could she stand before him blushing; yet with that unmistakable tingle? Their relationship was surely headed for a

collision course. Or was it? This story contains STRONG BDSM. While fully consensual, it includes submission, dominance, sadism and masochism. Please do NOT buy or read this if you are offended by graphic sexual descriptions including sexual violence. All characters are aged 25+, and it is recommended for an adult audience ONLY (aged 21+). Suzi's marriage was on the rocks. She had put on too much weight since the birth of her last child and lost interest in sex. Not surprisingly then, her husband had developed his sex life elsewhere. His long business trips to London had allowed him to find a mistress who shared his sexual tastes and that relationship flourished. When Damion finally told her he thought it was time to move on, Suzi was desperate to keep him and was prepared to do anything to keep the marriage together. That was to be total submission to her husband and a willingness to completely embrace the D/s lifestyle he enjoyed with his mistress. That was only the start and this novella follows Suzi's journey into submission, through the training at her husband's hands to the extreme sexual encounters he arranges with other men, women and groups of people who have only one thing in common; a desire to enjoy his sexy, submissive wife. This story has been told before in a series of short ebooks and

two collections - Submissive Women - but this is the first time Suzi's journey from naive and respectable housewife to horny submissive slut has been available in one long story.

Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d**k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped

into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

There are a number of reasons a woman may choose online submission. It's a good way to ease into the community by making friends and observing other people at a safe distance. Creating an online persona allows women to keep their real names and identifiers private. This not only helps maintain physical safety but also gives her the freedom to talk about sexual fantasies and naughty ideas without fearing judgment from other people or consequences on the job. Online submission also allows for a sexual experience rooted in the world of fantasy. A woman can take on any role or persona she wants, and perform acts she would not be willing or able to do in real life. She can express

emotion, devotion and talk as dirty as she likes without feeling self-conscious or uncomfortable. "In the same magazines where women are urged to be free and to have careers of their own, one can also spot advice about the best ways to be an obliging wife and a perfect mother. Literature, film, TV, and the news depict and glorify a specific, sometimes voluntary, sort of female submissiveness that can be a source of pleasure or satisfaction for even the most independent feminist. But this female submissiveness has scarcely warranted attention in philosophy or feminist thought. From a feminist point of view, imagining that women might, in

one way or the other choose to try out such submissiveness comes off as anti-feminist or even misogynistic. But are these submissive desires and pleasures at odds with the feminist's independence? In *We Are Not Born Submissive*, Garcia explains that the feminist agenda has many components but there are (at least) two of which are at the fore: shedding light on the oppression of women qua women, and fighting against this oppression. Studying female submissiveness, therefore, is a feminist undertaking in that it consists of hearing and taking seriously women's experience, of not presuming that they are victims, passive, or perverted. Garcia maintains it is not only possible, but necessary to study female submissiveness without presupposing anything, typically or naturally feminine or anti-feminist in this submissiveness. Using the theoretical framework of philosopher, Simone de Beauvoir and others, Garcia theorizes this fascinating dynamic in its full complexity. By looking at male dominance not from the point of view of those who dominate but from those who submit, Garcia avoids describing the exterior, objective subordination of women. Instead, she is able to examine what exactly it means to be a woman under male

dominance, thereby describing the subjective experience beneath domination. It inevitably consists of not starting from the idea that this submission is inherent within women, nor that it is contrary to their nature, or immoral, or the result of a false, oppressed understanding established by the patriarchy. On the contrary, the goal of the book is to ask without any preconceptions what this submission might be that women experience, how it manifests itself, how it is lived, and how it can be explained"--

Chains, ties and cuffs bring a sexy allure to the act that make it all the more exhilarating. Being immobilized makes the daringness even more thrilling, and makes the domination and submission that more delicious. These ladies love being on either the receiving end or the dominant end, and reading about their exploits will leave you hot and wanting more. Obey Me: Martina is a lioness always in need of fresh meat. She owns a local bar by day, but at night, she's a dominant alpha female who loves taking handsome alpha male, muscle bound studs and making them submissive to her. On this Friday night, she finds Neil, a young, chiseled man who is sexy and hung like a horse.

She literally leads him out of the bar by his belt, in front of everyone, takes him to her house, chains him up, rides his face and sexes his brains out. The journey of humbling an alpha male to the power of her kitty is just as exhilarating as the orgasms she receives, and even more titillating for you, the lucky reader. Chained Tasted and Taken: Michelle, at the urging of her boyfriend, Kyle, decides to visit in underground sex club to work on getting past her sexual inhibitions. Though she had no idea what to expect, she quickly found herself naked, chained to a wall. When she realized what was going on, a foxy redheaded stranger crawls between Michelle's thighs and to have a taste. New York Times bestselling author Tara Sue Me returns to the story of Abby and Nathaniel to explore the passion after the 'Happily-Ever-After'... Limits were made to be pushed. Abby West has everything she wanted: a family, a skyrocketing new career, and a sexy, Dominant husband who fulfills her every need. Only, as her life outside the bedroom becomes hectic, her Master's sexual requirements inside become more extreme. Abby doesn't understand Nathaniel's increased need for control, but she can't deny the delicious way her body reacts to his tantalizing

demands... Between Abby's reluctance and Nathaniel's unyielding commands, the delicate balance of power between the Dominant and his submissive threatens to shift. And as the underlying tension and desire between them heats up, so does the struggle to keep everything they value from falling apart ...

Why did I write this book? Lots of people have read my books and stories, and have enjoyed them immensely - - so why this compilation? Well, first off, because some people want to skip past what they consider to be the "fluff" and get right down to the "meat" (no pun intended!) of the matter. Some folks just want to get down to the actual hot SEX scenes, and there's nothing wrong with that at all if that's your thing. Personally, I'd rather have a story upfront and THEN get to the sex. It feels more real that way, but hey, we've all been there. Sometimes we just need a nice raunchy read without the "hang ups" - - much like women who love to cuckold their men sometimes just need a nice long fuck without the hang ups! So that is one reason. Second, because I've got such a wide variety of books and novellas out there that chances are excellent and second to none that you haven't read all, or most of 'em. Each of those books

File Type PDF The Making Of A Submissive Wife

contains gems by themselves, and I've dug some of them out and compiled them into an easy to read format for you right here. Third, and perhaps most importantly, I've included two experiences here that greatly define how I currently feel about cuckolding or "m on m" in general. These two experiences are not included in any other book or writing that I've penned - - and are deeply moving, emotional stories from yours truly that (though they occurred years ago), I remember as clearly and can see in front of me as clearly as I can see the black and white words on this computer screen. What separates this book from the other "cuckold compilations out there"? What is the "submissive" twist you're referring to? Well, that's a great question indeed! Most of the cuckold literature I've read has been indeed with a submissive twist. The word cuckold itself lends itself to submissiveness - - either to the dominant male in the scene, or the (and usually the!) woman involved, but here is the point - - most of the cuckold literature out there (at least what I've seen) is BDSM oriented. And that is fine, of course. Most of you reading this are probably into BDSM - - or humiliation or domination - - of some nature, and cuckolding can be a natural

progression to submissive tendencies for many a submissive man, and a dominant lady. But, here is where THIS book splits off the rest. That being, the submissive twist - - and the fact that a lot of these experiences can be read and enjoyed by GAY couples as well - - in other words, homosexual couples that are perfectly comfortable with their preferences. Gay couples don't always include women in their cuckold fantasies/experiences. Gay couples into cuckolding may or may not be into BDSM. Gay couples may or may not be into humiliation (although cuckolding by its very nature lends itself to a certain degree of humiliation unless you're an "alpha cuckold"). But here's the thing ... cuckolding is almost always submissive to a degree, regardless of whether it's a gay couple doing it - - or regardless of it's the femme fatale in "25 Million Dollars" that's making a "cocky" (pun intended!) young Greek upstart do it - - or whether it's Madam Su making ole Watson do it! By its very nature cuckolding is submissive ... and what I want to focus upon the most here in these narratives is the MALE SUBMISSIVE vibe, my friend. While the stories these compilations have been taken from are all femdom stories (female on male basically) - - the actual

File Type PDF The Making Of A Submissive Wife

compilations can be viewed from a purely “submissive” standpoint as opposed to a “femdom” standpoint. The characters and situations mentioned can just as easily be used by male doms as they can female, which is the beauty of it all! So I don't care if you're kissing a woman's feet and thanking her for allowing you to suck her lover's cock, or if you're kissing your male Dominant's feet and thanking him for the privilege, for instance! Grab it now - it promises to be a WILD journey!

Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive. From the endorphin rush of her first encounter right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes: where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly

honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.

There are a number of reasons a woman may choose online submission. It's a good way to ease into the community by making friends and observing other people at a safe distance. Creating an online persona allows women to keep their real names and identifiers private. This not only helps maintain physical safety but also gives her the freedom to talk about sexual fantasies and naughty ideas without fearing judgment from other people or consequences on the job. Online submission also allows for a sexual experience rooted in the world of fantasy. A woman can take on any role or persona she wants, and perform acts she would not be willing or able to do in real life. She can express emotion, devotion and talk as dirty as she likes without feeling self-conscious or uncomfortable. While the scenarios sometimes described in online submission can be pure fantasy (seemingly endless sexual romps with multiple orgasms and no

pain or soreness), the feelings of lust, love, loyalty, friendship, and arousal are all very real and can be a part of a vibrant sexual life. This Submissive Training guide will take you into the world of online submission, along with safety protocols and techniques for making the digital fantasy a physical reality. Good men doing evil things, and the women who love them. This boxed set contains the first four books in the bestselling Russian Mafia/BDSM Romance Submissive's Wish series. Ivan's Captive Submissive When Gia Lopez signs up for the Submissive's Wish Charity Auction she has no idea that she's about to be bought by a Russian Dom who will do anything to make her fantasies come true. Including staging an elaborate kidnapping that Gia believes is real. Ivan is instantly drawn to Gia and he wants to be the best Master she's ever had. As he spends time with Gia he begins to have intense feelings for the strong, independent, and sexy

American woman. He's only won a week of her service but wishes to keep her forever. Unaware of Ivan's true feelings, Gia fights her growing emotional attachment to him. However, Ivan sets a plan into motion that will push Gia to all of her limits and take her on a global journey of self-discovery, extreme pleasure, and love. Dimitri's Forbidden Submissive As the daughter of an outlaw biker, Rya DeLuca is used to living a wild life, but nothing could prepare her for the danger of falling in love with Dimitri Novikov. To Rya he's a warm, loving, sexy as hell Dom who gives her exactly the kind of bondage and discipline she craves in the bedroom, but to the rest of the world Dimitri is a feared man, a cold blooded, heartless killer who is at the top of the Russian Mafia food chain. While her hard and Dominant Master is her perfect match in every way that matters, their love can never last longer than a few days at most. Every moment Rya spends with Dimitri puts her life in jeopardy from rival gangs and Dimitri's own family. Alexandr's Cherished Submissive 7 years ago From the moment Alexandr

Novikov met the young auburn haired woman bartending at her uncle's pub in Ireland, he'd been fascinated by her delicate beauty and fiery spirit. Unfortunately, he is in no position to offer her the kind of safe, normal life she deserves so he attempts to put her from his mind for her own good. Something easier said than done when a deal is struck between the Novikov Bratva and the Irish Cleary Gang, an arrangement that includes Alex and his men being on twenty-four hour bodyguard duty with the object of his forbidden desires. There are outside forces that will do anything to keep them apart, and Jessica will have to make a desperate choice that will change their lives forever. Alexandr's Reluctant Submissive Having believed for five years that his wife and daughter are dead, Alexandr Novikov's world changes forever when he discovers not only are they alive, but the vile person who tore his family apart was none other than his father, Jorg. Determined to make up for lost time, Alex sets about winning the hearts and trust of his wife and daughter, and healing the emotional damage done to Jessica

by their forced separation. Easier said than done when jealousy rears its ugly head, and Jessica struggles to deal with all the women Alex was intimate with after her supposed death. Only as equals will they find courage enough to face the days ahead. Especially since Jorg isn't done meddling with their lives...and his latest actions will have deadly consequences for generations to come. Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at

risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.
