****AVAILABLE TO PRE-ORDER NOW**** The author of the Sunday Times bestselling Outlander series returns with the newest novel in the epic tale. The past may seem the safest place to be . . . but it is the most dangerous time to be alive . . . Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1743, and it took them twenty years to find each other again. Now the American Revolution threatens to do the same. It is 1779 and Claire and Jamie are at last reunited with their daughter, Brianna, her husband, Roger, and their children on Fraser's Ridge. Having the family together is a dream the Frasers had thought impossible. Yet even in the North Carolina backcountry, the effects of war are being felt. Tensions in the Colonies are great and local feelings run hot enough to boil Hell's tea-kettle. Jamie knows loyalties among his tenants are split and it won't be long until the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s - among them disease, starvation, and an impending war - was indeed the safer choice for their family. Not so far away, young William Ransom is still coming to terms with the discovery of his true father's identity - and thus his own - and Lord John Grey has reconciliations to make, and dangers to meet . . . on his son's behalf, and his own. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. And with the family finally together, Jamie and Claire have more at stake than ever before.

THE FIFTH NOVEL IN THE BESTSELLING OUTLANDER SERIES Now a major TV series 1771: the Colony of North Carolina stands in an uneasy balance, with the rich, colonial aristocracy on one side and the struggling pioneers of the backcountry on the other. Between them stands Jamie Fraser, a man of honour, a man of worth. Exiled from his beloved Scotland, he is at last possessed of the land he has longed for. By his side his extraordinary wife, Claire, a woman out of time and out of place, blessed with the uneasy gift of the knowledge of what is to come. In the past, that knowledge has brought both danger and deliverance to Jamie and Claire. Now it could be a flickering torch that will light their way through the perilous years ahead - or might ignite a conflagration that will leave their lives in ashes. The Fiery Cross is by turns poignant, page-turning, meticulous in its historical detail and searingly passionate. The Outlander series begins with Outlander.

Beyond present danger, though, looms the threat of a tiny clipping from the Wilmington Gazette, dated 1776, which reports the destruction of the house on Fraser's Ridge and the death by fire of James Fraser and all his family. Abigail Rosen, nicknamed *Appassionata*, was the sexiest, most flamboyant violinist in classical music, but she was also the loneliest and the most exploited girl in the world. When a dramatic suicide attempt destroyed her violin career, she set her sights on the male-dominated heights of the conductor's rostrum. Given the chance to take over the Rutminster Symphony Orchestra, Abby is ecstatic, not realising the RSO is in hock up to its neck and is composed of the wildest bunch of musicians ever to blow a horn or caress a fiddle. Abby finds it increasingly difficult to control her undisciplined rabble and pretend she is not madly attracted to the fatally glamorous horn player, Viking O'Neill, who claims *droit de seigneur* over every pretty woman joining the orchestra. And then Rannaldini, arch-fiend and international maestro, rolls up with Machiavellian plans of his own to sabotage the RSO. Effervescent as champagne, Jilly Cooper's novel brings back old favourites like Rupert and Taggie Campbell-Black, but also ends triumphantly with a rampageous orchestral tour of Spain and the high drama of an international piano competition.

Ever so slowly Dakota Territory is being transformed from a vast prairie into rich farmland. With the coming of the railroad, the small town of Blessing begins to prosper, and the Bjorklund family is reaping the promised harvest that had lured them from their beloved home in Norway. But for Ingeborg and Haakan, realizing their dreams will not come without a struggle. After their own fields are harvested, Haakan and the neighboring men take the steam engine and the separator on the road, threshing for other homesteaders in return for a portion of their grain. With Haakan away and the fields standing idle, Ingeborg frets over work yet to be done. Fearing an early change of seasons, she takes matters into her own hands. Has the land become more important to Ingeborg than her own family?

Twenty years ago, Gabaldon swept readers into her mesmerizing world brimming with history, romance, and adventure. To celebrate, this special commemorative edition features special production details, a brand-new letter and essay from the author, and a Random House Reader's Group Guide.

Sweeping historical drama from the Top Ten Sunday Times bestselling author. A keepsake collection of Lord John Grey's shorter adventures and a spectacular addition to any Gabaldon fan's library, Lord John and the Hand of the Devils brings these three unique novellas together for the first time. Lord John and the Hellfire Club marks the first appearance of Lord John outside the Outlander novels (and chronologically precedes the novel Lord John and the Private Matter). A young diplomat is killed in the street as he begs Lord John for help. Witnessing the murder, Grey vows to avenge the young man, as the trail leads to the notorious Hellfire Club and the dark caves beneath Medmenham Abbey In Lord John and the Succubus, Grey's assignment as liaison to a Hanoverian regiment in Germany finds him caught between two threats: the advancing French and Austrian army, and the menace of a mysterious 'night-hag,' who spreads fear and death among the troops. Acknowledging that he is unlikely to fall victim to a succubus, Lord John is obliged to contend with the marauding night-hag before the enemy arrives. This tale with a touch of the supernatural bridges the action between Gabaldon's two full-length Lord John tales. Finally, in Lord John and the Haunted Soldier, Lord John is called to the Arsenal at Woolwich to answer a Royal Commission of Enquiry's questions regarding a cannon that exploded during the battle of Krefeld (a central action in Lord John and the Brotherhood of the Blade). Accusations ensue, and Lord John finds himself knee-deep in a morass of gunpowder, treason, and plot -- haunted by a dead lieutenant, and followed by a man with no face.

Diana Gabaldon's brilliant storytelling has captivated millions of readers in her bestselling and award-winning Outlander saga. Now, in her first-ever graphic novel, Gabaldon gives readers a fresh look at the events of the original Outlander: Jamie Fraser's side of the story, gorgeously rendered by artist Hoang Nguyen. After too long an absence, Jamie Fraser is coming home to Scotland—but not without great trepidation. Though his beloved godfather, Murtagh, promised Jamie's late parents he'd watch over their brash son, making good on that vow will be no easy task. There's already a fat bounty on the young exile's head, courtesy of Captain Black Jack Randall, the sadistic British officer who's crossed paths—and swords—with Jamie in the past. And in the court of the mighty MacKenzie clan, Jamie is a pawn in the power struggle between his uncles: aging chieftain Colum, who demands his nephew's loyalty—or his life—and Dougal, war chieftain of Clan MacKenzie, who'd sooner see Jamie put to the sword than anointed Colum's heir. And then there is Claire Randall—mysterious, beautiful, and strong-willed, who appears in Jamie's life to stir his compassion . . . and arouse his desire. But even as Jamie's heart draws him to Claire, Murtagh is certain she's been sent by the Old Ones, and Captain Randall accuses her of being a spy. Claire clearly has something to hide, though Jamie can't believe she could pose him any danger. Still, he knows she is torn between two choices—a life with him, and whatever it is that draws her thoughts so often elsewhere. Step into the captivating, passionate, and suspenseful world of The Exile, and experience the storytelling magic of Diana Gabaldon as never before.

Then comes “The Space Between,” where it is revealed that the Comte St. Germain is not dead, Master Raymond appears, and a widowed young wine dealer escorts a would-be novice to a convent in Paris. In “A Plague of Zombies,” Lord John unexpectedly becomes military governor of Jamaica when the original governor is gnawed by what probably wasn’t a giant rat. “A Leaf on the Wind of All Hallows” is the moving story of Roger MacKenzie’s parents during World War II. Four extraordinary stories featuring characters from the bestselling Outlander series. The fiery trails of tracer bullets, as a wounded Spitfire falls from the sky. A Jamaican plantation burns deep into the night. A handful of heroic Highlanders fight their way straight up a vertical cliff to stand on the Plains of Abraham in a fiery dawn. And a torch burns green, through the eerie surrounds of a Parisian cemetery, down into the mysteries of the earth. Four Outlander tales, each set in a different time and place, and yet each one a fiery thread in the warp and weft of the epic story that began in Scotland in 1945, when Claire Randall first touched a boulder in an ancient stone circle and was hurled back in time...

A beautifully designed collector's edition of the third book in Diana Gabaldon's blockbuster Outlander series featuring a brand new introduction and bonus material to celebrate the 25th anniversary of its original publication. In this rich, vibrant tale, Diana Gabaldon continues the story of Claire Randall and Jamie Fraser that began with the now-classic novel Outlander and continued in Dragonfly in Amber. Sweeping us from the battlefields of eighteenth-century Scotland to the exotic West Indies, Diana Gabaldon weaves magic once again in an exhilarating and utterly unforgettable novel. Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her . . . and her body still cries out for him in her dreams. Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and the pain awaiting her . . . the deadly intrigues raging in a divided Scotland . . . and the daring voyage into the dark unknown that can reunite--or forever doom--her timeless love.

Proud of Their Heritage and Sustained by Their Faith, They Came to Tame a New Land She had promised herself that once they left the fjords of Norway, she would not look back. After three long years of scrimping and saving to buy tickets for their passage to America, Roald and Ingeborg Bjorklund, along with their son, Thorliff, finally arrive at the docks of New York City. It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880. Together with Roald's brother Carl and his family, they will build a good life in a new land that promises untold wealth and vast farmsteads for their children. As they join the throngs of countless immigrants passing through Castle Garden, they soon discover that nothing is as they had envisioned it. Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions, the Bjorklunds continue their long journey by train as far as Grand Forks. From there a covered wagon takes them into Dakota Territory, where they settle on the banks of the Red River. But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land. The virgin prairie refuses to yield its treasure without a struggle. Will they be strong enough to overcome the hardships of that first winter?
