

The Writers Guide To Plotting Stories That Matter

If you're thinking of writing a novel this year, this is the one book you need. Most writers need to fit writing in around other responsibilities and goals. Maybe you're working at a separate job or profession, raising a family, pursuing a degree, or all of the above. But no matter what else is happening in your life, you can write your novel in a year. The One-Year Novelist walks you through the steps week-by-week, taking you from idea to finished draft. It includes ways to stay motivated, break down the writing process, and tailor the schedule to your life. If you've already plotted your novel, prefer to start writing without planning first, or want to finish in less than a year, you can easily do that. This book is for you if: - You have a great idea for a novel and aren't sure you have time to write it - You've started a novel and want help getting to the finish line - You've written novels before but are looking for a way to streamline your process Get started by downloading your ebook edition (includes link to free downloadable worksheets) today.

Craft an Engaging Plot How does plot influence story structure? What's the difference between plotting for commercial and literary fiction? How do you revise a plot or structure that's gone off course? With Write Great Fiction: Plot & Structure, you'll discover the answers to these questions and more. Award-winning author James Scott Bell offers clear, concise information that will help you create a believable and memorable plot, including:

- Techniques for crafting strong beginnings, middles, and ends
- Easy-to-understand plotting diagrams and charts
- Brainstorming techniques for original plot ideas
- Thought-provoking exercises at the end of each chapter
- Story structure models and methods for all genres
- Tips and tools for correcting common plot problems

Filled with plot examples from popular novels, comprehensive checklists, and practical hands-on guidance, Write Great Fiction: Plot & Structure gives you the skills you need to approach plot and structure like an experienced pro.

Written by Michael Legat, who enjoyed a successful career as publisher, novelist and tutor/lecturer in Creative Writing, these Guides contain both basic information and thought provoking commentary on the steps needed to succeed as a writer.

Explains how to use the elements of suspense to create and develop an exciting story.

Theme Is What Your Story Is Really About Theme-the mysterious cousin of plot and character. Too often viewed as abstract rather than actionable, theme is frequently misunderstood and left to chance. Some writers even insist theme should not be purposefully implemented. This is unfortunate, because in many ways theme is story. Theme is the heart, the meaning, the point. Nothing that important should be overlooked. Powerful themes are never incidental. They emerge from the conjunction of strong plots and resonant character arcs. This means you can learn to plan and implement theme. In doing so, you will deepen your ability to write not only stories that entertain, but also stories that stay with readers long after the end. Writing Your Story's Theme will teach you: How to create theme from plot and character. Why every supporting character and subplot should enhance the theme. How to prevent theme from seeming preachy or "on the nose." What to consider in identifying the best theme for any given story. And much more! Conscious mastery of theme will elevate every story you write and allow you to craft fiction of depth and meaning. Take Control of Your Story Via a Powerful Implementation of Theme

An Adult Coloring Book for Authors! This book will help you paint powerful visual scenes that stick with readers long after they're finished your book. The techniques described within are simple and easy to use. Think of this as a guided coloring book adventure. YOUR adventure. There are lots of systems and guides to plotting, but if you're like me you have

journals filled with notes, scenes and description... it can get overwhelming. I've based this book on traditional three-act story architecture, but it's greatly simplified. Plotters and pantsers can use the guided exercises to gain greater visual clarity and build more meaningful scenes with resonance. This book will help you get organized and unlock hidden potential in your scenes that you didn't know was there, by going beyond words and focusing on drawing and coloring your scenes until you have a full outline. This book makes an excellent workbook for writing retreats, is simple enough for children to use (it's never too early to write your first novel), and introduces a new, and hopefully useful, way to organize your novel, improve your writing, and create unforgettable scenes that will make a deep and lasting impact.

Build a Timeless, Original Story Using Hundreds of Classic Story Motifs! It's been said that there are no new ideas; but there are proven ideas that have worked again and again for all writers for hundreds of years. Story Structure Architect is your comprehensive reference to the classic recurring story structures used by every great author throughout the ages. You'll find master models for characters, plots, and complication motifs, along with guidelines for combining them to create unique short stories, novels, scripts, or plays. You'll also learn how to:

- Build compelling stories that don't get bogged down in the middle*
- Select character journeys and create conflicts*
- Devise subplots and plan dramatic situations*
- Develop the supporting characters you need to make your story work*

Especially featured are the standard dramatic situations inspired by Georges Polti's well-known 19th century work, The Thirty-Six Dramatic Situations. But author Victoria Schmidt puts a 21st-century spin on these timeless classics and offers fifty-five situations to inspire your creativity and allow you even more writing freedom. Story Structure Architect will give you the mold and then help you break it. This browsable and interactive book offers everything you need to craft a complete, original, and satisfying story sure to keep readers hooked!

A Liverpoolian West Side Story, Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Plotting a story filled with memorable, engaging scenes from beginning to end can feel like an insurmountable challenge. Having the right plan – and the tools to execute it – can make all the difference. Writing Blockbuster Plots pulls back the curtain on story structure with step-by-step strategies and visuals that turn plotting and scene

writing into a no-stress endeavor. In this completely revised and updated edition, celebrated writing instructor and plot consultant Martha Alderson helps you navigate the intricacies of story with the help of her exclusive Plot Planner and Scene Tracker tools. Using Alderson's effective, accessible techniques, you'll be able to:

- PLOT your story from beginning to end with a focus on dramatic action, the emotional development of your characters, and thematic significance.
- ENSURE that each scene contributes meaningfully to the narrative by tracking the seven essential elements of scene.
- LINK scenes by cause and effect to create a tight, seamless narrative.
- INJECT tension and conflict to keep readers glued to the page.
- TARGET weak areas in your story and learn how to fix them.

Filled with examples from both classic and contemporary novels, as well as illustrations of the Plot Planner and Scene Tracker in action, *Writing Blockbuster Plots* strips the confusion out of the plotting process, enabling you to write a story that deserves a standing ovation.

A workbook for Planning Your Novel: Ideas and Structure

Chris Baty, motivator extraordinaire and instigator of a wildly successful writing revolution, spells out the secrets of writing—and finishing—a novel. Every fall, thousands of people sign up for National Novel Writing Month (NaNoWriMo), which Baty founded, determined to (a) write that novel or (b) finish that novel in—kid you not—30 days. Now Baty puts pen to paper himself to share the secrets of success. With week-specific overviews, pep "talks," and essential survival tips for today's word warriors, this results-oriented, quick-fix strategy is perfect for people who want to nurture their inner artist and then hit print! Anecdotes and success stories from NaNoWriMo winners will inspire writers from the heralding you-can-do-it trumpet blasts of day one to the champagne toasts of day thirty. Whether it's a resource for those taking part in the official NaNo WriMo event, or a stand-alone handbook for writing to come, *No Plot? No Problem!* is the ultimate guide for would-be writers (or those with writer's block) to cultivate their creative selves.

Take a Deep Dive into Plot and Scene and Improve Your Writing Whether you're planning your first novel or have already written a first draft, you need to master the concepts of plot and scene to truly realize your story's potential. *Writing Deep Scenes* teaches you how to write strong, layered, and engaging scenes—the secret to memorable, page-turning plots. It's filled with practical tools for building layers and nuance into your scenes, employing the right scene types at the right junctures, and developing a profound understanding of how plot and scene intertwine. Inside you'll learn:

- How scenes are comprised of three key layers: action, emotion, and theme.
- How to recognize each layer and weave them seamlessly into a scene.
- How to develop an intricate relationship between the action and emotion in every scene.
- How thematic imagery embedded in scenes increases a story's tension and contributes to the story's meaning.

Using contemporary examples from a variety of genres, *Writing Deep Scenes* provides an effective method for plotting at the scene level. Use these techniques and enrich your fiction and memoirs with page-turning

suspense and pathos, and explore new depths in every story you write. Give your story a solid foundation - a plot that engages readers from start to finish! ⚠⚠The best stories linger in the hearts and minds of readers for decades. These tales gain their power through plots that connect with the audience on both an emotional and intellectual level. ⚠⚠Inside, Ronald B. Tobias details these 20 time-tested plots. Each is discussed and analyzed, illustrating how a successful plot integrates all the elements of a story. Tobias then shows you how to use these plots effectively in your own work. ⚠⚠Tobias then goes to the next level, showing you how to choose and develop plot in fiction. He shows you how to craft plot for any subject matter, so that you develop your work evenly and effectively. As a result, your fiction will be more cohesive and convincing, making your story unforgettable for readers everywhere.

How is A Game of Thrones the same story as The Lego Movie? How is the mind-bending plot of Inception identical to the terse narrative of Gravity? In what way is Clarice Starling's struggle to silence the lambs indistinguishable from Harry Potter's pursuit of the philosopher's stone? Despite the striking difference in these stories, they share a less conspicuous similarity: they're all structured on a universal pattern of actions undertaken by their characters. This sequence of six Actions and Goals is the hidden foundation of modern story structure. By aligning the unique actions your characters takes with these universal story actions, you can create propulsive narratives that grab your audience by the lapels and punch them in the face (figuratively, of course). Whether you're writing for television or plotting a novel, penning your first screenplay or coming off your most recent bestseller, this groundbreaking storytelling technique is guaranteed to change your perception of story. Actions and Goals will teach you: How to use the actions of your character to structure your story. Why your character's goal should change as the story progresses. The five turning points and the decision your character must make at each one. How a conflict of ideals creates the opposition your character faces. How your character's attempt to fulfill a new role propels him through the narrative. Successful storytellers understand the importance of structure. Actions and Goals gives you beat by beat examples of this structural secret at work in over a dozen critically acclaimed novels and films. From The Hunger Games to The Empire Strikes Back, from Titanic to Iron Man, you will learn the simple, effective structure at the heart of them all.

A Writer's Guide to Story Structure and Plagiarism

Named by The Times as the all-time number one crime writer, Patricia Highsmith was an author who broke new ground and defied genre clichés with novels such as *The Talented Mr Ripley* and *Strangers on a Train*. In the classic creative writing guide *Plotting and Writing Suspense Fiction*, Highsmith reveals her secrets for producing world-class crime and thrillers, from imaginative tips for generating ideas to useful ways of turning them into stunning stories.

When a young writer dies before completing his first novel, his teacher, Jake, (himself a failed novelist) helps himself to its plot. The resulting book is a phenomenal success. But what if somebody out there knows? Somebody does. And if Jake can't figure out who he's dealing with, he risks something far worse than the loss of his career.

Struggling to start your novel or screenplay? Stuck in the middle? Finished a first draft, but it doesn't really grab you? Super Simple Story Structure is a short, easy-to-read guide that lets you speed through your first draft, minimize major rewrites, and keep readers turning the pages. The book includes specific questions and prompts to expand and focus your story idea. Using those exercises, plus examples from plots as diverse as The Terminator, The Awakening, and Gone With The Wind, bestselling author Lisa M. Lilly (writing as L. M. Lilly) walks you through the five simple steps she's used to write every novel she's published. You'll learn to create: - Strong Conflict - Characters The Reader Cares About - Five Basic Plot Points - Compelling Subplots Most important, Super Simple Story Structure walks you through what should happen in the middle of the narrative – that spot that many writers approach with dread. What you'll create won't be so structured that you'll feel hemmed in and stifled, but it will be enough that you can write your first draft quickly, without getting stuck staring at a blank screen for an hour, then giving up and checking your social media accounts. Download Super Simple Story Structure and get started today. All writers are familiar with terms like plot, suspense, conflict and character. They may be less familiar with intertextuality, anachrony, and fabula, and they may be even less confident in achieving the effects these terms refer to. This book defines fictional techniques and guides the potential writer in their use. It may spark off ideas for stories and novels and provide first-aid for failing stories. A story's ending may come as a surprise to the reader, suspense may have the reader on the edge of the seat, and conflict may lead to unbearable excitement. It is the job of the writer to create these effects and this book illustrates how it is done. The book is for students doing creative writing in higher education, at "A" level, and it will be essential reading for anyone interested in writing fiction. Contents: Definitions of over 200 terms and techniques to do with fiction writing How to achieve fictional effects Literary examples of the techniques described Characteristics of genre as well as literary fiction Basic but essential techniques such as writing dialogue and using figures of speech Definitions of major terms used in publishing

Advanced Plotting is designed for the intermediate and advanced writer: you've

finished a few manuscripts, read books and articles on writing, taken some classes, attended conferences. But you still struggle with plot, or suspect that your plotting needs work. This book can help. The Plot Outline Exercise is designed to help a writer work with a completed manuscript to identify and fix plot weaknesses. It can also be used to help flesh out an outline. Additional articles address specific plot challenges, such as getting off to a fast start, propping up a sagging middle, building to a climax, and improving your pacing. Guest authors share advice from their own years of experience. Read the book straight through, study the index to find help with your current problem, or dip in and out randomly - however you use this book, you'll find fascinating insights and detailed tips to help you build a stronger plot and become a better writer.

Explores the techniques of effective character development in the processing of writing novels to take the author's stories from good to great, including how to determine which arc is right for your character, why you should never pit plot against character, and how to avoid the pitfalls of writing novels without character arcs. This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat! Learn How to Make Your First Draft Easy! Award-winning author K.M. Weiland's previous book, the bestselling *Outlining Your Novel*, showed writers how to embrace outlines in a way that makes the writing process fun, inspiring, and easy. Now it's time to put those lessons to use! Building upon the principles you've already learned, the *Outlining Your Novel Workbook* presents a guided approach to getting the bones of your story down on paper, identifying plot holes, and brainstorming exciting new possibilities. Containing hundreds of incisive questions and imagination-revving exercises, this valuable resource will show you how to: Create your own personalized outlining process Brainstorm premise and plot ideas Discover your characters Choose and create the right settings Organize your scenes And so much more! This accessible and streamlined workbook will empower you to create a powerful outline-and an outstanding novel. Start writing your best book today!

Patricia Highsmith, author of Strangers On a Train, The Talented Mr.Ripley, Found In The Street, and many other books, is known as one of the finest suspense novelists. In this book,

she analyzes the key elements of suspense fiction, drawing upon her own experience in four decades as a working writer. She talks about, among other topics; how to develop a complete story from an idea; what makes a plot gripping; the use (and abuse) of coincidence; characterization and the "likeable criminal"; going from first draft to final draft; and writing the suspense short story. Throughout the book, Highsmith illustrates her points with plentiful examples from her own work, and by discussing her own inspirations, false starts, dead ends, successes, and failures, she presents a lively and highly readable picture of the novelist at work. Anyone who wishes to write crime and suspense fiction, or who enjoys reading it, will find this book an insightful guide to the craft and art of a modern master.

Daily exercises guaranteed to spark your writing! The Plot Whisperer Book of Writing Prompts gives you the inspiration and motivation you need to finish every one of your writing projects. Written by celebrated writing teacher and author Martha Alderson, this book guides you through each stage of the writing process, from constructing compelling characters to establishing an unforgettable ending. Alderson also helps you get into the habit of writing creatively every day, with brand-new imaginative prompts, such as: Create an obstacle that interferes with the protagonist's goal and describe how that scene unfolds moment-by-moment. Provide sensory details of the story world and what your main character is doing at this very moment. Scan earlier scenes for examples of the protagonist's chief character flaw and develop it. He or she will need to overcome this flaw in order to achieve his or her ultimate goal. Show an issue or situation in the main character's life that needs attention and have him or her take the first step forward toward a course of action. Filled with daily affirmations, plot advice, and writing exercises, The Plot Whisperer Book of Writing Prompts will set your projects in the right direction--and on their way to the bestseller list!

"The Poetics of Aristotle" by Aristotle (translated by S. H. Butcher). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Magical Key to Unlock Your Creative Wizard Are you writing a novel, but having trouble getting your first draft written? You've heard of "outlining," but that sounds too rigid for you.

You've heard of "organic writing," but that seems a bit squishy to you. Take a look at the wildly popular Snowflake Method—ten battle-tested steps that jump-start your creativity and help you quickly map out your story. All around the world, novelists are using the Snowflake Method right now to ignite their imaginations and get their first drafts down. In this book, you'll follow the story of a fictitious novelist as she learns to tap into the amazing power of the Snowflake Method. Almost magically, she finds her story growing from a simple idea into a deep and powerful novel. And she finds her novel changing her—into a stronger, more courageous person. Zany, Over the Top, and Just Plain Fun How to Write a Novel Using the Snowflake Method is a "business parable"—a how-to guide written in story form. It's zany. It's over the top. It's just plain fun. It shows you how it's done, rather than tells you. You'll learn by example how to grow your story idea into a sizzling first draft. You'll discover: How to define your "target audience" the right way, so you know exactly how your ideal readers think and feel. Forget what the experts tell you about "demographics." How to create a dynamite selling tool that will instantly tell people whether they'll love your story or hate it. And you want them to love it or hate it. How to get inside the skin of each of your characters—even your villain. Especially your villain. How to find a deep, emotively powerful theme for your story. Do you know the best point in your novel to unveil your theme? How to know when to backtrack, and why backtracking is essential to writing great fiction. How to fire-test each scene to ensure it's high-impact—before you write it. Excerpt Goldilocks had always wanted to write a novel. She learned to read before she went to kindergarten. In grade school, she always had her nose in a book. In junior high, the other kids thought she was weird, because she actually liked reading those dusty old novels in literature class. All through high school, Goldilocks dreamed of writing a book of her own someday. But when she went to college, her parents persuaded her to study something practical. Goldilocks hated practical, and secretly she kept reading novels. But she was a very obedient girl, so she did what her parents told her. She got a very practical degree in marketing. After college, she got a job that bored her to tears—but at least it was practical. Then she got married, and within a few years, she had two children, a girl and then a boy. She quit her job to devote full time to them. As the children grew, Goldilocks took great joy in introducing them to the stories she had loved as a child. When her son went off to kindergarten, Goldilocks thought about looking for a job. But her resume now had a seven-year hole in it, and her practical skills were long out of date. The only jobs Goldilocks could qualify for were minimum wage. She suddenly realized that being practical had made her horribly unhappy. On a whim, Goldilocks decided to do the one thing she had always wanted more than anything else—she was finally going to write a novel. She didn't care if it was impractical. She didn't care if nobody would ever read her novel. She was going to do it just because she wanted to. For the first time in years, she was going to do something just for herself. And nobody was going to stop her.

Uncover the Secrets to Creating Characters Readers Will Never Forget Award-winning author K.M. Weiland's previous book, the acclaimed Creating Character Arcs, showed writers how to identify the five most important types of character arcs and use them to bring your own characters to life with stunning and powerful realism. Now it's time to put those lessons to use! Building upon the principles you've already learned, the Creating Character Arcs Workbook presents a guided approach to choosing the right type of character arc for your story, joining plot and character into a cohesive and resonant whole, and choosing stories with life-changing themes. Containing hundreds of incisive questions and imagination-revving exercises, this valuable resource will show you how to: Write an inspiring Positive

Change Arc Create one of three unforgettable Negative Change Arcs Take full advantage of a heroic Flat Arc Align the structure of your character arcs with that of your plot Revise a story that has no arc And so much more! This accessible and streamlined workbook will empower you to create resonant character arcs-and an outstanding novel. Start writing your best book today!

*What will take your fiction from good to great? From decent to dazzling? From lackluster to blockbuster? Characters who "jump off the page." Of course plot matters. So does conflict, and scenes, and every other aspect of the fiction craft. But without unforgettable characters, your books will always be less than they could be. Don't let that happen. In **WRITING UNFORGETTABLE CHARACTERS** you'll learn: -How to lay the foundation for a memorable character -How to bond the reader with the main character from the start -The super power of unpredictability -The secrets of grit, wit, and moxie -How to bring your character to life on the page-How and when to reveal backstory -All about arcs and what they truly mean -The key to unforgettable villains-How to make minor characters memorable, too -How to create a great series character And more, PLUS the powerful exercises James Scott Bell has taught in his sold-out writing workshops. No more flat stories! Give your readers what will turn them into career-long fans-characters who jump off the page.*

*Do you want to write a stronger story? Would you like to worry less about plot holes and weak characters? Some writers shy away from outlining, believing it their worst nightmare, and state that time is better spent writing a novel than planning it. Then there are those who've tried plotting, perhaps more than a few times, only to get lost in the weeds and overwhelmed by frustration. Stories that work all follow a certain structure; you just need to learn how to apply it. **Plot Development** is a step-by-step guide which will teach you: ? How to decide on the number of characters to include in your novel ? How to make each character come alive with their own wants and needs ? How to choose between different types of outlines ? How to develop engaging events and where to place them within your story ? How to enhance your plot with potent subplots ? How to build chapters, designed to deliver an immersing experience for the reader ? How to review and edit your outline to make it even better ? How to enrich your opening and closing chapters Included are seven bonus chapters, covering important topics like: theme, beta readers, short story plotting, and much more. Additionally, you'll be able to download an outline template to provide an in-depth guide for your plotting. No more getting lost in those weeds! **Plot Development** is brought to you by two bestselling authors, who have published more than twenty novels between them. Leverage the power of story structure and take your writing to the next level.*

Every story is a collection of words put together in the right order with a hand full of punctuations here and there. When it's a love story there can only be two people falling in love, either happily end the book or make it a tragedy. But then how can each story be different from the other? It's the characters, setting, plot and the order of happenings that make one story different from the other. That makes every one of you develop a plot into a story that's entirely different from the other. For example if we are talking about a love story with a man and a woman falling in love it sounds like only two variations are possible using this prompt- happy ending and tragic ending. Let's say 100 people in a room are use the same prompt to develop their story. Choosing one of the two variations you are already different from 50 writers in the room. What if you make the woman a doctor and the man an engineer? At least 50% of others, who use your prompt won't think of the same combination. So 75 people are writing something else. Now, let's say your story is happening in India. 20% of the remaining will not be writing about India or any country you choose. So 20 of you are writing almost the same story as of now. You now add a few more characters, incidents and dialogues. You also add a suspense to the story. Do you think anyone else will be writing the same? Not at all. No two people can write the same prompt the same way. This book will provide you with a list of creative plots, each of which can be twisted and turned into several stories. This book will serve as a story guide. As writers, we all want to tell stories and keep the readers engaged. In this book, you will find 80 prompts. This is not like the other prompt books that you find in the market where they just list one-liners as prompts. In this book, you will be given prompts or plots and ways to develop them into various genres. These prompts will not just create a spark in you to create your own story but also guide you to twist and turn them into a story you will be comfortable writing.

Identifies and analyzes twenty common plots, including revenge, rivalry, adventure, maturation, and love, discusses physical and character plots, and offers advice for developing a story

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an

investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Awesome Tips on Crafting a Riveting "Hook" that instantly Grabs Your Reader! This manual offers amazing techniques for creating stronger beginnings and ways to write a page-turning "hook" for your fiction novel. Writers will learn how to make the first five pages so intriguing that the reader won't be able to put your book down, and reveal how you can successfully craft your first chapter. Also, writers will get the tools needed to blend character goals with a riveting scene, and how basic plot structure can effectively and instantly strengthen the narrative. Plus, get bonus tips from other bestselling authors, advice on self-publishing a novel, and help with manuscript word counts. Whether you're writing an intense thriller or a sweeping romance, all novels follow the same basic outline described in detail within this book.

Having problems coming up with a plot for your novel? Or are you stuck behind a Writer's Block and trying to get things moving ahead on your story once again? In 60 WAYS TO PLOT OR DODGE WRITER'S BLOCK, multi-published novelist and writing instructor Beth Daniels supplies suggestions galore on how to either get back on track or create a storyline to entice and thrill readers. These ploys have been test run by Daniels herself in the novels she writes as Beth Henderson and J.B. Dane. They have also found favor with numerous fiction writing students in her over 70 various online workshops. Take any of these babies out for a test drive and see if your muse can keep from spinning new and exciting ways to tell the story you've longed to tell. Great ideas for beginning novelists and established writers looking for new ways to generate story ideas. For other Fiction Writing Aid books visit www.Muse2Ms.com.

Compelling characters are what keeps readers turning pages and buying books — from fantasies to mysteries to the great literary novel. But how to do you create characters that feel three dimensional and

real on the page? Counsellor and author Eileen Cook shares common psychological techniques to help you build your characters and take your story to the next level. Covering understanding your character's backstory and how it impacts their choices in your book by doing a structured counselling interview, personality structure (Myers Briggs and Emotional Intelligence) and how that may lead to conflict, and understand dissecting the Stages of Change to see how your character moves through them. Filled with practical tips, examples and prompts this is a craft book you will return to over and over. This is the second book in the Creative Academy Guides for Writers series. Be sure to check out the rest of the guides for writers in this series. 1. Scrappy Rough Draft by Donna Barker 2. Build Better Characters by Eileen Cook 3. Strategic Series Author by Crystal Hunt 4. Create Story Conflict by Eileen Cook 5. Full Time Author by Eileen Cook and Crystal Hunt
