

Wanting Sex Again

*****NEW YORK TIMES BESTSELLER***** *Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Why do people cheat? Can an affair ever help a marriage? Infidelity is the ultimate betrayal. But does it have to be? Relationship therapist Esther Perel examines why people cheat, and unpacks why affairs are so traumatic; because they threaten our emotional security. In infidelity, she sees something unexpected - an expression of longing and loss. A must-read for anyone who has ever cheated or been cheated on, or who simply wants a new framework for understanding relationships. 'Esther Perel does nothing short of strip us of our deepest biases, remind us of our purpose in connecting as lovers, and save relationships that might otherwise sink into the sea-all with even-handed wisdom, fresh morality, and wise prose. Thank heavens for this woman.'* - Lena Dunham *'Beautiful. A brilliantly intelligent plea for complexity, understanding, and - as always - kindness.'* - Alain de Botton *'She's the guru on relationships... she's the first person I ask for advice'* - Cara Delevingne *'Wiseest sex therapist we ever did meet. Her new book, THE STATE OF AFFAIRS, proposes a new perspective on infidelity'* - GRAZIA *'This is a must-have for all married couples and has completely changed my thinking.'* - SUNDAY TIMES STYLE

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

"Women are in a bind. In the name of consent and empowerment, they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women--and their bodies--want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? Katherine Angel challenges our assumptions about women's desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today's crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault's teasing promise, in 1976, that "tomorrow sex will be good again."--Provided by publisher.

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

*The *new* novel from the internationally bestselling author of Normal People. 'The literary phenomenon of the decade.'* - Guardian *'The best novel published this year.'* - The Times *'Quite astonishing.'* - Independent *'The most enjoyable novel of the year.'* - Daily Telegraph *'A spellbinding twenty-first-century love story.'* - TLS *****PRE-ORDER NOW***** *Alice, a novelist, meets*

Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend Eileen is getting over a break-up and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen and Simon are still young - but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They worry about sex and friendship and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

An edgy yet accessible “bad bitch” guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Bad Bitch (n.): A self respecting, strong female who has everything together. This consists of body, mind, finances, and swagger; a woman who gets her way by any means necessary. Amber Rose didn't let the tough streets of South Philly slow her down when working to achieve her star-studded goals. From the pages of high fashion magazines to the sets of music videos, to runways in Paris, London, and New York, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned Ford Agency model, actress, socialite, pop culture maven, and self-proclaimed “bad bitch” is sharing her secrets on how to lead a powerful life. Filled with helpful advice and personal anecdotes, How to Be a Bad Bitch covers finances, career, love, beauty, and fashion while emphasizing confidence and positive self-acceptance. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible. Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one’s sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people’s sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, Good Christian Sex combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, Good Christian Sex is a message of hope, that at last lifts the veil of shame felt by many religious people.

Explores the psychological effects of sexual unions, examines the role of celibacy in the life of modern-day Christians, and discusses friendships as healthy alternatives to sexual relationships

A raw, funny, and fiercely honest account of becoming a mother before feeling like a grown up. When Meaghan O'Connell got accidentally pregnant in her twenties and decided to keep the baby, she realized that the book she needed -- a brutally honest, agenda-free reckoning with the emotional and existential impact of motherhood -- didn't exist. So she decided to write it herself. And Now We Have Everything is O'Connell's exploration of the cataclysmic, impossible-to-prepare-for experience of becoming a mother. With her dark humor and hair-trigger B.S. detector, O'Connell addresses the pervasive imposter syndrome that comes with unplanned pregnancy, the fantasies of a "natural" birth experience that erode maternal self-esteem, post-partum body and sex issues, and the fascinating strangeness of stepping into a new, not-yet-comfortable identity. Channeling fears and anxieties that are still taboo and often unspoken, And Now We Have Everything is an unflinchingly frank, funny, and visceral motherhood story for our times, about having a baby and staying, for better or worse, exactly yourself. Smart, funny, and true in all the best ways, this book made me ache with recognition." -- Cheryl Strayed

“Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast.” —Philadelphia Inquirer “Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men.” —Aretha Franklin The #1 New York Times bestseller from the new guru of relationship advice, Steve Harvey’s Act Like a Lady, Think Like a Man is an invaluable self-help book that can empower women everywhere to take control of their relationships. nonsense advice for every good woman who wants to find a good man or make her current love last.

Brimming with helpful information and tips, The Everything Great Marriage Book can help bring harmony to any relationship.

When you love someone, how does it feel? And when you desire someone, how is it different? In Mating in Captivity, Esther Perel looks at the story of sex in committed couples. Modern romance promises it all - a lifetime of togetherness, intimacy and erotic desire. In reality, it's hard to want what you already have. Our quest for secure love conflicts with our pursuit of passion. And often, the very thing that got us to into our relationships - lust - is the one thing that goes missing from them. Determined to reconcile the erotic and the domestic, Perel explains why democracy is a passion killer in the bedroom. Argues for playfulness, distance, and uncertainty. And shows what it takes to bring lust home. Smart, sexy and explosively original, Mating in Captivity is the monogamist's essential bedside read.

Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that's where asexual people are left out—they don't find other people sexually attractive, and if and when they say so, they are very rarely treated as though that's okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In The Invisible Orientation, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people's experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

This book provides a comprehensive, professional 'tool kit' that will help you: - Learn how to resolve sexual and relationship problems - Discover new techniques to improve your relationship - Practise skills that can protect your relationship - Put romance, fun and passion back into your life Drawing

Offers strategies for women with low libidos to help overcome the emotional, physical, and mental obstacles that are affecting passion and intimacy in their marriages.

The 10 Keys to a Successful Remarriage Based on the author's personal experience, over 30 years of clinical practice, knowledge from leading marriage and remarriage researchers, and 100 in-depth interviews of remarried people, The Remarriage Manual offers 10 essential keys to a successful remarriage: Build a Culture of Appreciation, Respect, and Tolerance. Negativity is toxic. Personal growth and love are possible when you can express appreciation through positive words and actions. Make Your Remarriage a Top Priority. Never underestimate the power of intentional time with your partner to increase physical and emotional intimacy. Ditch the Baggage from Your First Marriage. Learn ways to be more reflective and less reactive to triggers that hit raw spots or vulnerabilities stemming from prior relationships. Don't Keep Secrets about Money. Remarried couples face complicated financial issues such as unequal assets, child support, alimony, and education costs for children and stepchildren. Honesty and full disclosure about finances are essential. Don't Let Mistrust Stop You from Being Vulnerable and Emotionally Intimate. Learn that vulnerability and trust go hand in hand and the steps you can take to be authentic and intimate with your partner so you can achieve long-lasting love. Get

Sexy and Fall in Love All Over Again. Given the stressors of a second marriage, it can be particularly challenging to stay sexually intimate. Yet moments of connection, such as touching, talking, or making love, are all part of the glue that holds a second marriage together. Don't Make a Big Deal about Nothing . . . but Do Deal with Important Issues. Differences in beliefs, expectations, and conversational styles can cause you to blow things out of proportion and tune each other out. Effective communication will help you overcome these types of misunderstandings. Manage the Flames of Conflict. You can't avoid disagreements entirely. What you can do, however, is learn how to manage them successfully to avoid the "blame game" so that they can nourish rather than drain your remarriage. Embrace Your Role as a Stepparent and Create Positive Stepfamily Memories. There is no such thing as instant love in a stepfamily. When biological parents are involved, the relationships can get even trickier. Learn to adjust to your role as a stepparent—the chances of a second marriage succeeding go way up when both partners adopt an attitude of "we're in this together." Say You're Sorry and Mean It. Studies show that apologizing to your partner for hurting their feelings and granting forgiveness are crucial to the success of a second marriage. It's essential that remarried couples learn the value of sincere apologies and forgiveness. Drawing on the experiences of dozens of couples and remarriage scenarios, Terry Gaspard shows you how to bring each key home and set up your relationship for lasting success. Whether you are thinking of remarrying and concerned about going the distance or are already remarried and struggling, The Remarriage Manual provides the expert advice, practical tools, hope, and inspiration you need to prevent challenges from becoming deal breakers. The 10 keys provided here will help put you and your spouse on solid footing; keep the flame between you burning bright; and build a deeply trusting, loving, and sustainable connection for the long haul.

Ever felt confused about female sensuality? Puzzled as to what women really want? Now there is no need for guesswork. Packed full of tips and tricks How to Give Her Absolute Pleasure is sure to produce mind-blowing sex for both you and your partner. Written by one of America's most popular sexperts' Lou Paget, How to Give Her Absolute Pleasure will guide you all the way from foreplay to orgasm. Drawing on the experiences of real clients, Paget explains the best toys, lubricants and positions so you can start enjoying safe, breath-taking sex today.

Shows women how to break the cycle of sex-only relationships and find a partner who will commit to a loving union.

Just this once . . . Please let me get away with it just this once . . . Tobey wants a better life - for him and his girlfriend Callie Rose. He wants nothing to do with the gangs that rule the world he lives in. But when he's offered the chance to earn some money just for making a few 'deliveries', just this once, would it hurt to say 'yes'? One small decision can change everything . . . The fourth novel in Malorie Blackman's powerful Noughts & Crosses sequence.

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple

Download Ebook Wanting Sex Again

yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as "transgender." These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans "influencers." Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and "gender-affirming" educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to "detransitioners"—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

An essential exploration of why and how women's sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a "pink pill" for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that's gone into it, scientists in the last few years have learned more about how women's sexuality works than we ever thought possible, and Come as You Are explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others' experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman's arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

A candid and witty memoir describes one woman's search for a solution to her problem with a low sex drive and her efforts to close

Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. Men like to hear, while women like to visualize, and that's completely natural too. A man wants to hear what their partner wants done to them, or wants to do for them before it's done. Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Download Ebook Wanting Sex Again

America's premier sex advice columnist takes on edgier-than-ever sex-positive topics with his signature candor in his first illustrated collection of adults-only essays, coinciding with the 30th anniversary of the Savage Love column. Dan Savage has been talking frankly about sex and relationships for 30 years, and has built an international following thanks to his sex-positive Savage Love column and podcast. To celebrate this milestone comes Savage Love from A to Z, an illustrated collection of 26 never-before-published essays that provides a thoughtful, frank dive into Savage's trademark phrases and philosophies. This hardcover book is for anyone who's had sex, is currently having sex, or hopes to have sex! Essays cover a variety of topics: • B Is for Boredom • F Is for Fuck First • G Is for GGG (Good Giving Game) • M Is for Monogamish Whether he's talking about issues like compatibility or specific sex acts, you can be sure he's giving it to you straight. Short excerpts from his classic columns kick off each essay and cheeky illustrations by his longtime collaborator Joe Newton complement the topic at hand. Savage has moved the needle toward a more open discourse around sex, relationships, and intimacy, and this book will both inspire and inform his legions of fans. An ideal stocking stuffer!

"I never want to have sex again." If you feel like sex just isn't worth the effort, you're not alone. Forty million American women are frustrated by their lack of sexual passion. They know something's missing—and their husbands know it, too—but the emotional, physical, and mental obstacles to healthy desire can be a knot that seems too tangled to unravel. Drawing on twenty years of clinical experience, Laurie Watson shows that it really is possible to restore the thrill of sex, using proven psychological methods and personal accounts from actual therapy sessions. Her strategies will: • Offer a glimpse into the reality of other people's bedrooms • Address the sexual problems that can develop with life changes—from marriage to motherhood to menopause • Uncover the hidden factors that impact desire—stress, cultural messages, emotional connection, chemical and hormonal challenges, physical appearance issues, and more • Show how joyful, meaningful, satisfying sex can be yours again Candid, practical, and much needed, this book can help you rediscover your sexual self or discover it for the first time. Instead of dreading bedtime, you can look forward to it again.

Understanding and Treating Sex and Pornography Addiction demonstrates why people's lives are being destroyed by compulsive sexual behaviour and what we can do to help them. The book examines the latest research into these conditions and outlines the new integrative C.H.O.I.C.E. Recovery Model, a practical, sex-positive model which incorporates CBT, ACT and psychodynamic theories to help people enjoy lifetime recovery. This new edition has been updated throughout, with new material covering pornography addiction, ChemSex, internet offending and female sex and love addiction. Written in a clear and informative manner, this book contains support and advice for both the clinician and for those who suffer from sex addiction, and provides tools for securing confident and rewarding recovery. Understanding and Treating Sex and Pornography Addiction is essential reading for anyone looking to make an enduring recovery from these conditions, as well as for clinicians new to the field and those wanting to update their skills and knowledge.

A Liverpudlian West Side Story, Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their

Download Ebook Wanting Sex Again

fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with others.

Struggling with bedroom boredom? Not loving your post-baby body? Wish you had more me-time to thrive as a confident, powerful woman? Feeling stuck in the "Mom Zone?" What's a mama to do? The Mommy Mojo Makeover is an uplifting guide designed to inspire mothers to rediscover their sensual self-confidence, reconnect with their bodies, and reignite the spark in their relationships. Sex and relationship expert Dana B. Myers delivers 28 inspiring and practical tools, interactive exercises, and real-life anecdotes that'll leave women feeling like a happier, sexier mama—one who is more deeply satisfied within herself and her relationship. This encouraging guide will help both new and seasoned mamas learn to take action—to define and create exactly what she wants in life, motherhood, and romantic partnership. Expect to say goodbye to the Mom Zone, exhaustion, and resentment and say hello to increased energy, libido, self-confidence, and a new, vivacious you!

"From a New York Times best-selling writer, psychotherapist, and advice columnist, a brilliant and surprising new book that takes us behind the scenes of a therapist's world--where her patients are in crisis (and so is she)"--

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

Unmastered is a new kind of book that allows us to think afresh about desire. Incisive, moving, and lyrical, it opens up a larger space for the exploration of feelings that can be difficult to express. Touching on experiences of desire and pleasure, as well as grief and pain, the book probes the porousness between masculine and feminine, thought and sensation, self and culture, power and pliancy. Katherine Angel reflects on the history of her own feelings, on her encounters and beliefs, and shows how our lives can be shaped by sexuality and feminism; by the words we use, and the stories we tell. The result is a book letting light into places that are often dark and constrained - a searching, erotic work that shifts in meaning and resonance even as it is read.

In *Naked at Our Age*, women and men, coupled and single, straight and gay talk candidly about how their sex lives and

relationships have changed with age, and about how they see themselves, their partners, or their single life. Many of them are having unsatisfying sex, or no sex at all, and are seeking advice. Price presents their personal stories, and follows up with tips from sex therapists, health professionals, counselors, sex educators, and other knowledgeable experts. Naked at Our Age is an entertaining and indispensable guide to handling and understanding the issues of senior sex and relationships.

For over a decade Rekindling Desire has helped to restore and restructure sexuality in thousands of lives. This expanded edition continues the exploration of inhibited sexual desire and no-sex relationships by respected therapist Barry McCarthy, who brings decades of knowledge and the expertise that comes from having treated almost 3,000 couples for sexual problems. Contained within are suggested strategies and exercises that help develop communication and sexual skills, as well as interesting case studies that open the doors to couples' sexual frustrations. The shame, embarrassment, and hesitancy that individuals feel with themselves, and the resentment and blame they can feel towards their sexual partners, are explored and put into context. Whether you are married, cohabitating, or dating, or if you are 25, 45, or 75, reading this book will help renew your sexual desire and put you on the path towards healthy, pleasure-oriented sexuality.
