

Worshipping Your Wife

Annually during the months of autumn, Bengal hosts three interlinked festivals to honor its most important goddesses: Durga, Kali, and Jagaddhatri. While each of these deities possesses a distinct iconography, myth, and character, they are all martial. Durga, Kali, and Jagaddhatri often demand blood sacrifice as part of their worship and offer material and spiritual benefits to their votaries. Richly represented in straw, clay, paint, and decoration, they are similarly displayed in elaborately festooned temples, thronged by thousands of admirers. The first book to recount the history of these festivals and their revelry, rivalry, and nostalgic power, this volume marks an unprecedented achievement in the mapping of a major public event. Rachel Fell McDermott describes the festivals’ origins and growth under British rule. She identifies their iconographic conventions and carnivalesque qualities and their relationship to the fierce, Tantric sides of ritual practice. McDermott confronts controversies over the tradition of blood sacrifice and the status-seekers who compete for symbolic capital. Expanding her narrative, she takes readers beyond Bengal’s borders to trace the transformation of the goddesses and their festivals across the world. McDermott’s work underscores the role of holidays in cultural memory, specifically the Bengali evocation of an ideal, culturally rich past. Under the thrall of the goddess, the social, political, economic, and religious identity of Bengalis takes shape.

“What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the living and majestic God and to offer him the praise that is his due.”—D. A. CarsonWorship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate gatherings and in our daily lives? These concerns—the blending of principle and practice—are what Worship by the Book addresses.Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively: Worship Under the Word· Following in Cranmer’s Footsteps· Free Church Worship: The Challenge of Freedom· Reformed Worship in the Global City “This is not a comprehensive theology of worship,” writes Carson. “Still less is it a sociological analysis of current trends or a minister’s manual chockfull of ‘how to’ instructions.” Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, Worship by the Book shows how local churches in diverse traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed.

The Hindu pantheon of Gods, comprising of Brahma, Vishnu and Shiva, is canonically considered as the foundation to the study of Sanathana Dharma. Worshipping Shiva demystifies the various practices that are observed in the veneration of Lord Shiva through a compilation of Puranic tales dedicated around these three Gods focussed on themes of Creation, Preservation and Destruction. Among them, Shiva with Parvati stands out as the most enigmatic God, represented by the iconic Shivalingam. The awe-inspiring and enchanting divinities of Kartikeya, Ganesha and Sashta to bring a serene world-order has made them household deities. Shiva has taken various manifestations such as Kiratamoorthy, Kaal Bhairav, Ardhanarishwar, Gangadhara, Sharabeshwarar, Gajasamharamoorthy and Kaalasmaharamoorthy to protect his devotees. Jyotirlingam and the Panchabooha Lingam Temples, with their grand austere shrines and ornate edifices, provide the devotee a forum to seek the divine blessings of Lord Shiva. These divine temples, Kailash Manasarovar and Amarnath Cave yatra are extensively detailed in the book. Performing puja is the source of peace and an integral part of faith for a devout Hindu. The book contains the detailed procedure to perform Rudrabhishekam Puja.

This major contribution to the idea of Europe sweeps the continent from its Celtic and German origins through the influence of the Greeks and Romans to the fruitful—and sometimes bloody—contacts with other cultures. Peter Rieterbergen portrays Europe’s a series of four grand phases of continuity and change set in the context of political, social and economic developments. These phases are new forms of: surviving; believing; looking at man and the world; and consumption and communication. Rieterbergen’s descriptions are supported by a selection of illuminating excerpts such as: Chaucer’s description of London in 1378; Michelangelo on Italian art; and popular music lyrics of Iron Maiden and Sting.

"From the writer of the beloved worship songs "God and King" and "The More I Seek You" comes a book that reveals the purpose of worship. In How to Worship a King, Neese unveils the power and beauty of true worship, which surpasses any known song or melody...This book unfolds a holistic view of worship so that you can experience peace, joy and the richness of living in god's presence." -- Back cover

An English professor explores the problems posed by God's exclusion of Cain in the biblical story, arguing that the very concept of monotheism has led to a violent nationalism and an "us-versus-them" mentality and offering an alternative ethics. UP.

Spiritual pursuit is believed to be difficult and most people do not consider taking it up. But with proper information and guidance it is possible for an average person to successfully take up the challenge and with persistence, determination and faith/shradha, one can attain 'Moksha' in the present lifetime itself. After studying Bhagavad Gita and with the guidance on my Guru, I have found that it is relatively simple. I have been practising the spiritual saadhanas of Karma Yoga, Upaasana Yoga and Jnaana Yoga for the past few years. This book is to share my own experiences with all and to strongly recommend it to all and the title is to emphasize that the spiritual path is easy for anyone who desires to achieve that Ultimate Knowledge.

Six Steps for Turning Marriage Back Into Passionate Courtship: WORSHIPPING YOUR WIFE recommends a return to courtship, that time when a man and woman find each other most mysterious and magnetic. Husbands, by elevating their wives, find themselves becoming romantically obsessed again. Marriages, even after years of dormancy, begin to pulse with a new and potent eroticism.The ideal book for men to introduce their female partners to Loving Female Authority or Female Led Relationships á€” and for women to hand-deliver to the men in their lives, with salty or salient passages highlighted.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

This book is intended to deal with substance rather than with form. But, in estimating the work of a teacher who taught exclusively with the pen, it would be perverse to disregard entirely the qualities of the writing which so penetrated and coloured the intellectual life of the Victorian age. Some cursory estimate of Arnold's powers in prose and verse must therefore be attempted, before we pass on to consider the practical effect which those powers enabled him to produce. And here it behoves a loyal and grateful disciple to guard himself sedulously against the peril of overstatement. For to the unerring taste, the sane and sober judgment, of the Master, unrestrained and inappropriate praise would have been peculiarly distressing. This caution applies with special force to our estimate of his rank in poetry. That he was a poet, the most exacting, the most paradoxical criticism will hardly deny; but there is urgent need for moderation and self-control when we come to consider his place among the poets. Are we to call him a great poet? The answer must be carefully pondered.

The Fortunes of Hindu Festivals

A Word-based marriage book with a mind of God. God created marriage with a view that, He alone must be worshipped through it. However, a certain percentage of people in the society do not know that marriage should be an act of worship. Marriage as an act of worship is a Word-based work that equips teachings for:² Church leaders² Married people² Engaged people² People thinking about getting married² Married people who are not born again² Marriage counsellors, and²The Church of Jesus ChristDo you want to have a relationship with God in your marriage? Do you want to please God as a couple? Do you want to have a successful marriage? Do you want to counsel married people? Do you want to know how prayer can help your marriage? Do you want to know what to do after committing sin before and after marriage?If yes, then Marriage as an act of worship is the relevant tool to help you and your marriage. About the author:Dr M.R. Nihoroane has conducted various marriage lessons in May and June for the past three years in his church. As a result, God gave him the grace and mercy to compile all those lessons into this inspiring book.

If worship is God centered, and God is the Trinity, then worship should be Trinity centered. Worshipping Trinity explores the meaning and implications of that simple claim. Written for church leaders, worship leaders, and songwriters, as well as for those interested in theology, this volume explains why the Trinity matters so much and explores practical ways our worship can be made more Trinitarian. This second edition is fully updated and expanded.

This book was written by Maria Raddler for MEN. You probably know Maria as the bestselling author of Love & Obey. "The world's best loving Female Led Relationship" guide for your woman. This second book REAL MEN WORSHIP WOMEN was specifically written for the MAN who wants to live in a loving Female Led Relationship. This is your ultimate Gentleman's Guide to Loving Female Authority and how to live happily in a Female Led Relationship.? You'll learn Maria's best kept secrets on how to find, attract and maintain a happy relationship with the dominant woman of your dreams. If you already have a woman, who resists the idea of a Female Led Relationship, Maria will show you how to seduce her in no time at all into becoming your powerful Mistress. In this book, you will learn how to make your wildest sexual fantasies come true (including orgasm denial, chastity, cuckolding, threesomes and group sex). But Maria also wants you to remember that a Female Led Relationship is more than just amazing, kinky sex. It's also a way of life, a lifestyle controlled and run by your woman. So you'll learn how to become your woman's loving, trained and obedient gentleman who is eager to serve.

Curation is a term usually used in the art world for the role of imagining and overseeing an exhibition or art experience. However the word is now being adopted by people in alternative worship, as it affords a very different and inventive way of thinking about how to lead a service or praise event. Rather than simply presiding over liturgy or fronting a band, curation involves negotiating between institutions and artists and making do with what is to hand to create something brilliant. The hope is that moments of epiphany will be experienced as God is invited to be and breathe in the space, and people make connections with their own lives and stories. Curating Worship is in two parts. The first considers the kind of thinking, skills and disciplines involved in good curation. The second consists of in depth interviews, which tease out from people who have curated amazing worship experiences around the world, the ideas and theories behind their approaches and the practical processes involved.

Simplicity: Essays in The Minimalists' 11th book and second essay collection, a follow-up to their bestselling book Essential Essays. In the two years since the authors quit their six-figure corporate jobs and embraced simpler lives, they have written more than 200 essays on the subject of simple living. Simplicity: Essays serves as a “best of” collection for their most important collaborative writings. This 152-page book contains 46 edited and revised essays about living a meaningful life with less stuff, including “Getting Rid of Gifts,” “It’s Liking Friends & Family to Embrace Change,” “Is and “I Am Not the Center of the Universe.”“It also includes a special forward by The Minimalists and two unpublished essays that can’t be found anywhere else: “Simplicity” and “The Worst Christmas Ever.”“The order of the essays in this collection is deliberate; they are meant to be read in sequence from beginning to end. Doing so will result in an experience that is different from reading these essays individually throughout the web, connecting various concepts that may otherwise seem unconnected. These essays were written to encourage readers to think critically about the excess in their lives and, ultimately, to take action towards living more intentionally. This collection is short enough to be read in a few sittings, or it can be digested slowly, reading one essay a day for six weeks, applying its principals each day to your own life.

Worship by the Book

The Curse of Cain

If you know where God is taking the church, you will know how to prepare for the journey. This book gives prophetic insight into the place of worship that God is taking the church, what you can expect and how to prepare for it. You will learn: A prophetic insight into what the church will look like in the years to come and the changes necessary to bring it about. How valuable and unique your worship is to God. What happens to you and your circumstances when you worship. How we can best prepare our children and the next generation for the astounding revival that will take place through them. How God wants to release His healing power through worshipers that will shake the world.

When you understand life and the difficulties that come along with it, you will be able to handle the resulting traumas that follow. This book gives you a biblical picture of how to cause the storms of life to get tired. When there is a struggle, the winner usually is the one who last to the end. The one who gives in first, doesn't have much of a chance. "When your Storm Gets Tired", will help you discover how to "rope-a-dope" the difficult times in life.

It's the Christmas season—the most wonderful time of the year” for most people in Fort City, California. But for Jehovah’s Witnesses Lawrence and Brad, it’s a time for them to try to explain “the truth” about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement, or a door slammed rudely in their faces, but they persist—and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah’s coming Kingdom. Whereas for Elders Skousen and Marshall—two Latter-day Saint (Mormon) missionaries—the season is another opportunity to share their Church’s distinctive interpretation of the Christian gospel; but their efforts are often rebuffed, as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians, as well as members of the Church of Christ; the Community of Christ (RLDS); Seventh-day Adventists; and “Oneness” Pentecostals—not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on “Cults”—and specifically targeting the Jehovah’s Witnesses and Mormons—a confrontation is ensured, where theological and biblical concepts collide in a public forum. Who, if anyone, really has “the Truth”? Can one still discover the “true meaning of Christmas” in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season (or any other season) with some interesting and intellectually-stimulating characters, as they explore these and other challenging questions. (Readers of the author’s earlier novel, A Multicultural Christmas, will be pleased to see a brief reappearance of two characters from that book.)

Worship elevates us into God’s presence, renews our spirits, and expresses our deepest love for our Savior. Yet worship can also be a call to arms, a battle cry, a salvo in an ancient spiritual struggle. Acclaimed songwriter Brian Doerksen believes that God is calling us to both love and to battle. To spread peace and wage spiritual warfare. We do this through how we live, how we serve Him, and how we protect and fight for what matters most. For Brian, music was his answer to this provocative call. Now Brian shares the stories and inspirations behind some of today’s most acclaimed songs of worship, including “Come, Now is the Time to Worship,” “Hallelujah (Your Love is Amazing),” and “With All My Affection.” Brian shares rich truths and insights that informed twelve of his greatest songs, and offers special tips for aspiring songwriters. Readers will be encouraged to wage spiritual war and share His love through a life of radical worship.

“An Introduction to Aramaic” introduces biblical Aramaic to beginning students already familiar with Hebrew. All Aramaic passages in the Old Testament plus other Aramaic texts are included. Includes paradigms, a complete glossary, resources for further study, exercises, and an answer key. Paperback edition available from the Society of Biblical Literature (www.sbl-site.org).

A Guide To Over Come The Second Storms of Life

Seeking to help local churches think more thoroughly about worship and culture so that they can function effectively in contemporary society, Dawn roots her discussion of worship issues in a careful assessment of significant aspects of the present technological, postmodern society and names criteria by which to judge various cultural influences. She also sketches the essential attributes of true worship - worship that keeps God at the center, builds believers' character, and upbuilds the community. In the process, Dawn discusses music, preaching, Scripture readings, rituals, liturgies, art, and all the accoutrements of worship, and offers practical suggestions for choosing the best tools and forms to deepen worship life, to nurture faith development, and to increase believers' outreach throughout the church and to the world.

Our first national epic, the RAMAYANA, has an all-time universal appeal and relevance. In its intrinsic value it transcends all the boundaries:subtle and physical. It has percolated our national life at various levels, in one form or the other. The reading of the book provides a great religious, literary and philosophical experience through which one would like to pass again and again. Our ancient-most cultural spirit, national genius and My story in poetry, meant to help women heal their heart, find their Voice and share it with the world. The Ramayana has been a perennial source of inspiration to poets, painters, philosophers, performing artists, religious heads and laymen.

Even as the sound of modern worship has grown louder, the heartbeat of true worship has grown faint. This is a call for those whose hearts burn to see it revived: who burn with reformation's fire. Who long to see the purity of worship restored and the Lord's house of prayer once again reflect the fullness of His glory and the wonders of His heart. The Reset is not simply a book on worship, it's an appeal to the broader worshipping community to once again re-order their lives and practices in accordance with the sacred and priestly calling they were given and zealously return to the heart of worship.
