*THE TRIUMPHANT SEVENTH NOVEL IN THE MULTI-MILLION BESTSELLING OUTLANDER SERIES.* The year is 1777. The place, North Carolina. And as the American rebellion grows in intensity, Highlander Jamie Fraser and his wife Claire need to decide which side their family is going to be on. The choice should be an easy one, given that Claire was born in the twentieth century and has already seen the future – in history books. But things are never simple where the Frasers are concerned, as father and son unwittingly come face to face on the battlefield, and an old adversary reaches forward in time to threaten the next generation. Up to now, Claire and Jamie's love has survived every danger history has put in their path, but in the chaos of war, with families bitterly divided against each other, is the future finally going to catch up with them? Diana Gabaldon's brilliant storytelling has captivated millions of readers in her bestselling and award-winning *Outlander* saga. Now, in her first-ever graphic novel, Gabaldon gives readers a fresh look at the events of the original *Outlander*: Jamie Fraser's side of the story, gorgeously rendered by artist Hoang Nguyen. After too long an absence, Jamie Fraser is coming home to Scotland—but not without great trepidation. Though his beloved godfather, Murtagh, promised Jamie's late parents he'd watch over their brash son, making good on that vow will be no easy task. There's already a fat bounty on the young exile's head, courtesy of Captain Black Jack Randall, the sadistic British officer who's crossed paths—and swords—with Jamie in the past. And in the court of the mighty MacKenzie clan, Jamie is a pawn in the power struggle between his uncles: aging chieftain Colum, who demands his nephew's loyalty—or his life—and Dougal, war chieftain of Clan MacKenzie, who'd sooner see Jamie put to the sword than anointed Colum's heir. And then there is Claire Randall—mysterious, beautiful, and strong-willed, who appears in Jamie's life to stir his compassion . . . and arouse his desire. But even as Jamie's heart draws him to Claire, Murtagh is certain she's been sent by the Old Ones, and Captain Randall accuses her of being a spy. Claire clearly has something to hide, though Jamie can't believe she could pose him any danger. Still, he knows she is torn between two choices—a life with him, and whatever it is that draws her thoughts so often elsewhere. Step into the captivating, passionate, and suspenseful world of *The Exile*, and experience the storytelling magic of Diana Gabaldon as never before.

*THE FOURTH NOVEL IN THE BESTSELLING OUTLANDER SERIES - NEW A MAJOR TV SERIES* How far will a woman travel to find a father, a lover a destiny? Across seas, across time – across the grave itself. It began in Scotland, at an ancient stone circle. Claire Randall was swept through time into the arms of James Fraser whose love for her became legend – a tale of tragic passion that ended with her return to the present to bear his child. Two decades later, Claire travelled back again to reunite with Jamie, this time in frontier America. But Claire had left someone behind in her own time – their daughter Brianna. Now Brianna has made a disturbing discovery that sends her to the stone circle and a terrifying leap into the unknown. In search of her mother and the father she has never met, she risks her own future to try to change history – and to save their lives. But as Brianna plunges into an uncharted wilderness, a heartbreaking encounter may strand her forever in the past – or root her in the place she should be, where her heart and soul belong...

\_\_\_\_\_ The long fuse of rebellion has already been lit. It's 1772, the Royal Colony of North Carolina, and the governor calls upon Jamie Fraser to unite the backcountry and preserve the colony for King and Crown. One minor problem: Jamie Fraser's wife, Claire, is a time-traveller, as are his daughter and son-in-law. And Jamie knows that three years hence, the shot heard round the world will be fired, and the end of it all will be independence - with those loyal to the King either dead or in exile. Beyond present danger, though, looms the threat of a tiny clipping from the Wilmington Gazette, dated 1776, which reports the destruction of the house on Fraser's Ridge and the death by fire of James Fraser and all his family. For once, Jamie Fraser hopes the time-travelers in his family are wrong about the future. But only time will tell.

From the international bestselling author of the Outlander series, the terrific new novel featuring the ever-popular Lord John. 1760. Jamie Fraser is a paroled prisoner-of-war in the remote Lake District. Close enough to the son he cannot claim as his own, his quiet existence is interrupted first by dreams of his lost wife, then by the appearance of Tobias Quinn, an erstwhile comrade from the Rising. Lord John Grey - aristocrat, soldier, sometime spy - is in possession of papers which reveal a damning case of corruption and murder against a British officer. NEW YORK TIMES BESTSELLER • A magnificent collection of Outlander short fiction—including two never-before-published novellas—featuring Jamie Fraser, Lord John Grey, Master Raymond, and many more, from Diana Gabaldon. Among the seven spellbinding pieces there is “The Custom of the Army,” which begins with Lord John Grey being shocked by an electric eel and ends at the Battle of Quebec. Then comes “The Space Between,” where it is revealed that the Comte St. Germain is not dead, Master Raymond appears, and a widowed young wine dealer escorts a would-be novice to a convent in Paris. In “A Plague of Zombies,” Lord John unexpectedly becomes military governor of Jamaica when the original governor is gnawed by what probably wasn’t a giant rat. “A Leaf on the Wind of All Hallows” is the moving story of Roger MacKenzie’s parents during World War II. In “Virgins,” Jamie Fraser, aged nineteen, and Ian Murray, aged twenty, become mercenaries in France, no matter that neither has yet bedded a lass or killed a man. Perfect for fans of Hilary Mantel's *The Mirror and The Light*, Matthew Shardlake is back in the sixth book in the *Shardlake* series, from number one bestselling author C. J. Sansom. 'When it comes to intriguing Tudor-based narratives, Hilary Mantel has a serious rival' - *Sunday Times* 'Sansom has the trick of writing an enthralling narrative. Like Hilary Mantel, he produces densely textured historical novels that absorb their readers in another time' - Andrew Taylor, *Spectator* *England, 1546: King Henry VIII is slowly, painfully dying. His Protestant and Catholic councillors are engaged in a final and decisive power struggle; whoever wins will control the government of Henry's successor, eight-year-old Prince Edward. As heretics are hunted across London, and the radical Protestant Anne Askew is burned at the stake, the Catholic party focus their attack on Henry's sixth wife, Matthew Shardlake's old mentor, Queen Catherine Parr. Shardlake, still haunted by events aboard the warship Mary Rose the year before, is working on the Cotterstoke Will case, a savage dispute between rival siblings. Then, unexpectedly, he is summoned to Whitehall Palace and asked for help by his old patron, the now beleaguered and desperate Queen. For Catherine Parr has a secret. She has written a confessional book, *Lamentation of a Sinner*, so radically Protestant that if it came to the King's attention it could bring both her and her sympathizers crashing down. But, although the book was kept secret and hidden inside a locked chest in the Queen's private chamber, it has - inexplicably - vanished. Only one page has been found, clutched in the hand of a murdered London printer. Shardlake's investigations take him on a trail that begins among the backstreet printshops of London but leads him and Jack Barak into the dark and labyrinthine world of the politics of the royal court; a world he had sworn never to enter again. Loyalty to the Queen will drive him into a swirl of intrigue inside Whitehall Palace, where Catholic enemies and Protestant friends can be equally dangerous, and the political opportunists, who will follow the wind wherever it blows, more dangerous than either. The theft of Queen Catherine's book proves to be connected to the terrible death of Anne Askew, while his involvement with the Cotterstoke litigants threatens to bring Shardlake himself to the stake. A stunning historical series, perfect for fans of Hilary Mantel and Philippa Gregory, the bestselling *Shardlake* series begins with *Dissolution*, *Dark Fire*, *Sovereign*, *Revelation* and *Heartstone*. Continue the gripping historical series with *Tombland*.*

**\*\*AVAILABLE TO PRE-ORDER NOW\*\*** The author of the *Sunday Times* bestselling *Outlander* series returns with the newest novel in the series. The past may seem the safest place to be . . . but it is the most dangerous time to be alive . . . Jamie Fraser and Claire Randall were to be married in 1743, and it took them twenty years to find each other again. Now the American Revolution threatens to do the same to Claire and Jamie. Claire and Jamie are at last reunited with their daughter, Brianna, her husband, Roger, and their children on Fraser's Ridge. Having the fa

together is a dream the Frasers had thought impossible. Yet even in the North Carolina backcountry, the effects of war are being felt. It's a second honeymoon, a chance to learn how war has changed and re-establish their loving marriage. But one afternoon, Claire walks through a circle of standing stones and vanishes into 1743, where the man she meets is a British army officer - her husband's six-times great-grandfather. Unfortunately, Black Jack Randall is not the man his description and while trying to escape him, Claire falls into the hands of a gang of Scottish outlaws, and finds herself a Sassenach - an outlander - hunted by both Jacobites and Redcoats. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable worlds. (Previously published as Cross Stitch)

It's been six months since Ashlyn Daniels was kicked out of her home. Six months since she stood up to her abusive stepfather and got her things seeing all her things set ablaze in a backyard bonfire-for her trouble. Never going back. She doesn't need trouble...especially if trouble is in the form of Lane Garrett, who's six-feet-plus of tattooed hotness and a complete ass. Lane has spent the last decade fighting to support his family. There's no room for romance, even with a fragile (yet amusingly feisty) stunner...even if she somehow manages to invade his world and his heart. While some secrets are as visible as ink on the skin, others must remain hidden at all costs... Each book in the Written on my Heart series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Written on my Heart Book #2 Seared on My Soul

#1 NEW YORK TIMES BESTSELLER \* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKLIST In her now classic novel Outlander, Diana Gabaldon told the story of Claire Randall, an English ex-combat nurse who walks through a stone circle in the Scottish Highlands in 1946, and disappears . . . into 1743. The story unfolded from there in seven bestselling novels, and CNN has called it "a grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across [centuries]." Now the story continues in Written in My Own Heart's Blood. 1778: France declares war on Great Britain, the British army leaves Philadelphia, and George Washington's troops leave Valley Forge in pursuit. At this moment, Jamie Fraser returns from a presumed watery grave to discover that his best friend has married his wife, his illegitimate son has discovered (to his horror) who his father really is, and his beloved nephew, Ian, wants to marry a Quaker. Meanwhile, Jamie's wife, Claire, and his sister, Jenny, are busy picking up the pieces. The Frasers can only be thankful that their daughter Brianna and her family are safe in twentieth-century Scotland. Or not. In fact, Brianna is searching for her own son, who was kidnapped by a man determined to learn her family's secrets. Her husband, Roger, has ventured into the past in search of the missing boy . . . never suspecting that the object of his quest has not left the present. Now, with Roger out of the way, the kidnapper can focus on his true target: Brianna herself. Written in My Own Heart's Blood is the brilliant next chapter in a masterpiece of the imagination unlike any other. Praise for Written in My Own Heart's Blood "[Written in My Own Heart's Blood] features all the passion and swashbuckling that fans of this historical fantasy series have come to expect."--People "Another breakneck, rip-roaring, oh-so-addictive page-turner from Gabaldon . . . Take a deep breath, jump aboard, and enjoy the ride."--Library Journal "With her Outlander series, Gabaldon . . . successfully [juggles] a sizable and captivating cast of characters; developing thrilling plotlines that borrow equally from adventure, history, and romance; and meticulously integrating a wealth of fascinating period details into the story without slowing down the pace. The result is a sprawling and enthralling saga that is guaranteed to keep readers up long past their bedtimes."--Booklist (starred review) From the Hardcover edition.
